Fort Saint George, Revenue Consultation of 8th September 1857.

No. 49. Read the following letter from H. CLEGHORN, Esq., M. D. Conservator of Forests; to the Secretary to Governmet, Revenue Department, Fort St. George; dated Palghaut 2nd September 1857, No. 125.

SIR,

With reference to my previous letters No. and date as per margin, in which I earnestly solicited the sanction of Captain Hamilton's estimate for the working of the Annamallay Forests, I have the honor to report that in my recent visit to these Forests, I ascertained that the estimate was correctly and economically framed.

No. 82, 20*th June* 1857.
„ 102, 21*st July* „

2. On arriving here from Nellumboor, I received two intimations from that officer that the work will be brought to a stand still, if funds are not speedily supplied.

3. In the present state of public affairs I feel that it is the duty of every one to co-operate with Government, and to avoid the smallest extra expenditure, but in this the finest forest of Southern India at the height of the working season, it is absolutely necessary that the hired labourers, brought from below with considerable difficulty should be paid with regularity, or they will leave the Hills altogether.

4. In the event of there being any difficulty with regard to the whole amount, I venture to suggest that a sum of twelve thousand Rupees be advanced in anticipation of sanction.

No. 50. ORDER THEREON, No. 904; dated 8th September 1857.

The Government observe that the annual Report and accounts of the Annamalay Forests for 1856-57 are under examination. They however authorize, as requested in the letter above recorded, an advance of Rupees (12,000) twelve thousand, for working the Forests during a portion of the current official year.

Acting Secretary to Government.
