Fort Saint George, Revenue Consultation of 15*th September* 1857.

No. 21. Read the following Extract from the Proceedings of the Board of Revenue ; dated 26th August 1857, No. 2851.

Read letter from the Collector of South Arcot dated 7th August 1857,* submitting a statement of the number of enams which have lapsed since 1849.

* *In Consultation 26th August* 1857.

(Here enter No. 150.)

Resolved that the above letter be laid before Government with reference to Extract Minutes of Consultation dated 7th August 1856, No. 831, and 9th June 1857, No. 566, Revenue Department.

2. It will be seen that out of 490 lapses of enams, 442 have been disposed of, and 48 are still under examination before the Collector.

3. The Board observe that the return as regards the Sub-Collector's Division is blank. As that officer is in charge of 4 talooks some lapses must have occurred in his Division during the last 8 years. The Board presume therefore that the Sub-Collector is not required to deal with cases of this description. If this inference be correct, the practice of the District should be altered and the Sub-Collector as well as the other Assistants be required as a rule to investigate such cases subject of course to the Collector's final decision.

No. 22. ORDER THEREON, No. 924; dated 11th September 1857.

The Government request that the Collector's reply to the very proper remarks of the Board in the last para. of their Proceedings recorded above, respecting the investigation of lapsed enams by the Sub-Collector and Assistants may be submitted to Government when received.

(Signed) H. FORBES,
Acting Secretary to Government.
