Extract from the Proceedings of the Board of Revenue, dated 5th December 1856.

Read letter from the Acting Collector of Tanjore, dated 11th November 1856.

(Received 17th Ditto)

In the foregoing letter Mr Cherry adverts to the great increase which has taken place of late, in the work to be performed in each district, and especially in Tanjore, where so many systems of revenue obtain; he explains that in making arrangements to meet the expenses of the Press, he proposed reductions in those departments wherein it appeared they could be made with the least inconvenience and he requests the sanction of Government to the reductions proposed in the list which accompanied his letter of 20th June 1856, to have effect retrospectively from 5th May last.

2. The Board of Revenue regret that they are unable to resubmit Mr Cherry's propositions to Government, after that authority has deliberately returned them for reconsideration. The reasoning of Mr Cherry would equally apply to every other District, and if admitted, the instructions of Government would become a dead letter. He is therefore again requested to consider in what manner he will be best able to meet the views of Government, particularly in regard to the Amens entered in his list.

Mr

3 Mr Cherry has also not replied to the query of Government, as to whether the work of the Rout Currents will be lessened by the introduction of a Press. He will now furnish the required information.

4. The proportion of expense intended to be borne by the Judicial Department Viz 10 Rupees per Mensem, is very small, and work to this value monthly, would scarcely, the Board think, suffice to meet the requirements of the Courts: This is however a matter for the consideration of the Judges.

5. If Mr Cherry could estimate the probable income of the Press by executing work other than that belonging to his own Office the Government may perhaps consent to the reductions in his Establishment being restricted to a sum which, with the Cash receipt, could cover the probable charges.

6. Mr Cherry will submit a revised list in accordance with the above instructions, and the Board will lose no time, on its receipt, in forwarding it for the sanction of Government.

7 With regard to any charges already incurred in excess of the reductions effected, the Board request the Acting Collector to submit a Statement of the value of work done

done for other Offices, in order that the charges may be debited to them.
