Fort Saint George, Revenue Consultation of 15th September 1857.

No. 37. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to E. MALTBY, Esq., Acting Chief Secretary to Government; dated Fort St. George, 18th August 1857, No. 2744.

SIR,

I am directed by the Board of Revenue to express their regret that the letter replied to in Extract Minutes Consultation 3d August 1857, No. 773, Revenue Department, came to your office by mistake, as it was intended for the Chief Engineer through whom they hope to arrange the matter referred to.

2. The Board observe that the Chief Engineer has already addressed Government on the subject in Extract Proceedings of Chief Engineer in Department Public Works 6th August 1857.

No. 38. ORDER THEREON, No. 934; dated 14th September 1857.

The Government observe that the Board of Revenue have not supplied the information called for in Extract Minutes Consultation dated 3rd August 1857, No. 773, as to how Mr. Cook, whom they wished to be retained for the survey of the Madras Collectorate, is to be paid. Pending the receipt of this information the Government ordered the Chief Engineer's Proceedings of the 6th August to lie over. As it however appears from the letter from the Collector of Madras, submitted by the Chief Engineer with the Proceedings above referred to, that the Ordnance Artificer will be paid a salary of 50 Rupees a month, probably out of the amount allowed for the survey, the Government resolve to inform the Inspector General of Ordnance, through the Military Department, that the services of the Ordnance Artificer Mr. Cook, who was ordered to rejoin his Corps in the Extract Minutes Consultation dated 18th July 1857, No. 1381, are to be placed at the disposal of the Collector of Madras till the completion of the survey.

(Signed) H. FORBES,
Acting Secretary to Government.
