## *Fort Saint George, Revenue Consultation of 22d September* 1857.

No. 5. Read the following remarks of the Boardof Revenue on the Statement of arrears f allowance; No. 2695.

No. 1198. From the Collector of Rajahmundry 16th May in Consultation 15th June 1857.

No. 2763. From the Collector of Rajahmundry 4th July in Consultation 12th August 1857.

*From Govt. 20th June* 1848.
*From do. 5th January* 1855.
*From the Collector 21st in Consultation 30th December* 1852.
*From do. 15th in Consultation 23d June* 1853.

These allowances appear to be hereditary and have been left undrawn for 7 years by the parties, whose explanation respecting the omission, is not very satisfactory. The Board however have reason to believe from other Statements recently received from the Collector that the pensioners are not generally aware of the risk they incur by not drawing their allowances in due time. The identity of the parties is not questioned, and the trifling amount of the pensions has probably been the main cause of the delay. The Board, under these circumstances, request sanction for the disbursement of Rupees 9-4-8 to each of the pensioners and for the future continuance of the allowances.

2. The Collector will endeavour to induce the pensioners to commute their allowances. He will also warn all the pensioners and Yeomiahdars in his District that the order of Government dated 19th March 1857, No. 231, Political Department, will be rigidly enforced in every case in which the allowances are unclaimed for a period of two years.
