Fort Saint George, Revenue Consultation of 29th September 1857.

No. 5. Read the following Extract from the Minutes of Consultation in the Political Department, under date the 5th September 1857, No. 733.

Read the following letter from the Resident at Hyderabad; to the Chief Secretary to Government, Fort Saint George; dated 25th August 1857, No. 996.

SIR,

I have the honor to transmit for the information of the Right Honorable the Governor in Council the accompanying Extract* of a note which I have received from His Highness the Nizam's Minister together with a copy of its enclosure from the Talookdar of Paloonchee, and to request that the necessary orders may be issued on the subject referred to.

* *Para. 2 Requesting that traders on the Godavery may be instructed to furnish the Talookdar of Paloonchee with Lists of all articles imported by them.*

(Signed) C. T. DAVIDSON,
Resident.

COPY.

I beg to represent to your honor that in accordance with the orders of Circar, the toll on the articles imported through the passage of Godavery situated at the Purganah of Bhudra Chul, has been entirely discontinued; and I inform you that not only the goods of Mr. Heig are imported by this passage, but also an immense quantity of the goods of other traders is imported, this involves a loss of 4,000 Rupees as reported by the renter of sayer; but notwithstanding this, there will be no objection to allow the goods to be passed, if the Circar order it. As it is necessary to keep an account for the inspection of the Circar officers, of the deficiency of the income thus occasioned, and to credit the same in the account, the Accountants and Peons of the renter posted at Chokies require a list of the goods imported, but the people who import articles for Mr. Heig, as well as the other traders, are not at all disposed to give an account of their goods to them, the letter sent by the renter of sayer has been enclosed herein together with its translation for your inspection. I hope you will have the goodness to write a note to the Resident on this subject, so that the people who import goods for Mr. Heig as well as the other traders may without any excuse get their articles thus imported entered into the account, and a correct account may be prepared in future.

Copy of a para. of a letter from Nabob MOOKHTAR OOL MOOLK BAHADOOR; to Major DAVIDSON.

Para. 2. I have paid my full attention to the observations made by you in para. 4 of your letter in reference to the Sayer duties of Goodavery, as well as to the provisions of the Treaty and its 4th Article regarding the Transit duties; and have accordingly imposed restrictions on all the Talookdars, so much so that there exists no more obstruction in the said passage; but however the Talookdar of Paloonchee, Bhudra Chullum, &c., has repeatedly complained to the Circar that the Traders both new and old, though there is no hindrance to the importation of their goods, do not furnish Lists of the articles imported by them. I do herewith forward for your inspection the Petition of the said Talookdar, and trust you will issue stringent instructions

on this point to the Traders, if you think proper,—dated 12th August 1857, or 21st of Zeehujja 1273.
