Fort Saint George, Revenue Consultation of 29th September 1857.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue ; dated 11th September 1857, No. 3045.

Read letter from the Acting Collector of Vizagapatam dated 24th July 1857* forwarding a statement of the expense incurred in sinking a few wells in his District.

*In Cons. 11th September 1857.

(Here enter No. 97.)

1. Resolved that the foregoing letter and statement be submitted to Government with the recommendation of the Board, that sanction be given to the disbursement by the Collector of Vizagapatam of Rupees 377-8-10, for sinking 6 wells in the talooks of Golgondah and Survasiddy in his District.

2. These works were authorized by the late Collector Mr. Robertson under the discretionary power vested in all the Collectors of the Northern Circars by a† circular of the Commissioner founded on Extract Minutes Consultation 2d December 1853, No. 1336, Revenue Department, permitting them to afford relief to the people by employing them on works of public utility, if the season should prove unfavorable and render the measure necessary.

† *Dated 24th December 1853.*

3. The advances for the wells were made in 1854-55 but the works were completed only at the close of 1856, to which circumstance Mr. Smollett attributes the delay in submitting the bill.

4. Four of the wells appear to have been inspected by Captain Owen Commanding Sibbundy Local corps, and the remaining two by the Tahsildar.

5. Should any further accounts of this description still remain outstanding, the Board request they may be submitted for sanction without delay.
