No. 26. Read the following Extract from the Proceedings of the Board of Revenue; dated 19th September 1857, No. 3117.

Read letter* from the Sub-Collector of North Arcot, reporting progress in the laying out of the Vellore Railway station pettah, and requesting to be furnished with form of Puttah to be given to the purchasers of the lots.

* *4th in Cons. 19th Sept.* 1857.

(Here enter No. 13.)

Mr. Sullivan reports that he has marked out a portion of the new pettah at the Vellore Railway station, and states that he is desirous of putting up the lots for sale at an early date, in order that he may be guided in his future operations by the result, but that as it is desirable that purchasers should distinctly know the terms of tenure, he is unable to do this, until the receipt of the promised form of Puttah. The Board observe that Government have called upon their Pleader to furnish a form of Puttah and Moochilka. They resolve therefore to forward the above letter for their information.

(A true Extract.)
