*Fort Saint George, Revenue Consultation of 29th September 1857.*

No. 31. Read the following Extract from the Proceedings of the Board of Revenue; dated 31st August 1857, No. 2889.

Read letter from the Collector of Tinnevelly dated 17th June 1857* enclosing correspondence from the Resident of Travancore and reporting what has been done in final settlement of the differences with the Travancore Government.

*In Cons. 31st August 1857.

(Here enter No. 198.)

In Extract Minutes Consultation No. 60 dated 14th January 1857, Government approved of the arrangements, proposed by the Collector of Tinnevelly and the Board for finally settling the disputes which had arisen with the Travancore Authorities regarding the boundaries of that state and the Tinnevelly District.

2. The arrangements were briefly these, the expense of fixing the boundary stones, was to be borne equally by both Governments; the Travancore Authorities were to pay annually to Government Rupees 391-14-11 being the difference in the value of the lands interchanged, besides the Mailwaram due to the Courtallum Pagoda which it was deemed preferable to fix at a certain sum to be decided in communication with the Resident.

3. From the Collector's communication and its accompaniments recorded above, it will be seen that the preparation of the stones and their conveyance to the spots where they are to be placed cost the Travancore Government Rupees 462-15-4, the half of which Rupees 231-7-8 is payable by Government. The stones are being placed in communication with the Tahsildar of Tencausey on behalf of the Collector.

4. In addition to the Rupees 391-14-11 payable annually by the Travancore Government on account of the difference in the values of the lands interchanged, it has been decided that a fixed sum of Rupees 208-15-3 being the average Mailwaram due to the Courtallum Pagoda for 10 years (Fusly 1256 to 1265) shall also be paid into the talook Treasury of Tencausey, making the total amount to be received hereafter Rupees 600-14-2. The necessary orders for giving effect to these arrangements have been issued by the Dewan and Collector to the local officers concerned.

5. The arrears of Mailwaram due to the Pagoda and on other accounts have been adjusted as shown below.

| | Rs. | A. | P. |
|---|---|---|---|
| Arrears due to the Pagoda... ... ... .. | 932 | 11 | 4 |
| Do. being difference between the average Beriz of Pooliary and Maliancolum for 4 years. ... ... ... | 130 | 14 | 0 |

| Total due by the Company's Government.... ... .. ... ... | 1,003 | 15 | 5 |
| Net balance of Travancore.... | 59 | 9 | 11 |

6. Mr. Silver reports that the above sum has been received into the Tencausey talook Treasury.

7. A further claim is however made on the port of Travancore for the past proceeds of the Hill grounds on the Shenaur Ghaut and the dry lands on the village of Codecoorchy. These from Fusly 1236 to Fusly 1265 amount to Rupees 528-13-10, of which amount Rupees 242-1-9 are in deposit and the remainder has been credited to Government in the Collector's accounts. As the lands in question have already in Extract Minutes Consultation dated 14th January been ceded to the Travancore authorities, the Board recommend that the Collector may be authorized to disburse the proceeds realized from them, viz. Rupees 528-13-10

8. The future annual payments of the Travancore authorities will be paid into the talook Treasury of Tencausey and the portion due to the Pagoda be disbursed by the Collector.

9. The disposal of the arrears due on account of the Courtallam Pagoda, and the proposition of the Collector to exempt from duty certain produce passing from ports of Tinnevelly into Travancore and vice versa will be submitted to Government in separate communications at an early date.
