(15 sheets)

Fort Saint George, Revenue Consultation of 6th February 1857.

No. 14. Read the following letter from J. SILVER, Esq., Collector of Tinnevely; to J. D. BOURDILLON, Esq., Secretary to Government Fort Saint George, dated 14th January 1857, No. 13.

SIR,

I have the honor to request you will submit the following Statement for the consideration of Government. From the 22nd October 1856 up to the 13th January 1857, I have been performing the duties of the Sub-Collector's Office, in addition to my own onerous work; and for a portion of this time, viz. from the 22nd October to 13th November 1856, I had in addition to the charge of the Sub-Collector's Office, the whole of the Head Assistant's work, also on my hands. As no officer was available at the time to be deputed to this District to act as Sub-Collector, and as I was consequently only able to carry on the duties of the District, by great extra labor, I request that the Government will be pleased to sanction my drawing the same amount of deputation allowance, that would have been given to an officer, had one been available to act as Sub-Collector, during the period that I have been performing the duties of the Sub-Collector's office, in addition to those of my own Cutcherry.

No. 15. ORDER THEREON, No. 112; dated 29th January 1857.

In this letter Mr. Silver the Collector of Tinnevely represents that for some months past he has been performing the duties of Sub-Collector in addition to his own, the Sub-Collector being absent on duty elsewhere; he requests therefore that he may be allowed to draw Deputation allowance as Acting Sub-Collector, in addition to his own full pay as Collector. Mr. Silver is informed that his request is inadmissible. The Governor in Council must add that many Collectors have been required at various times to perform the duties of Sub-Collector in addition to their own; but, so far as he is aware, the present application is the first of its kind ever made.

(Signed) H. FORBES,
Acting Secretary to Government.
