Remarks.

Chiefly caused by extensive sales of Salt and larger exports.

Owing mainly to a change in the Kistbandy whereby the first Kist fall[s] in November.

Owing partly to smaller arrears of Zemindary Peshcush and partly to collections from the Ryots having been made according to a fixed Kistbandy Current Fusly.

This increase arises from part of the June Kists of the Zemindaries having fallen to account in the current Fusly, but chiefly from larger balances having been outstanding at the close of Fusly 1265.

The increase is attributed to the favorable character of the season and the prices obtained by the Ryots for their produce.

Owing chiefly to the realization of large balances existing at the commencement of the Fusly.

Owing chiefly to the suspension of 20% of the Woolungoo demand.

Larger collections were made on account of arrears.

Owing to a smaller balance outstanding at the commencement of the Fus[ly]

Remarks.

A. Owing partly to the arrears of Peishcush against the Kaulghur Zemindary for Fusly 1263 having been adjusted in the corresponding period of the previous year and partly to the Pists which were formerly 5 having been extended to 6.

B. Chiefly caused by extensive sales of Salt and larger exports.

C. Owing mainly to a change in the Pistkundy whereby the first Pist falls due in November.

D. Owing partly to smaller arrears of Zemindary Peishcush and partly to the collections from the Ryots having been made according to a fixed Pistkundy in the current Fusly.

E. This increase arises from part of the June Pists of the Zemindaries being brought to account in the current Fusly but chiefly from larger balances having been outstanding at the close of Fusly 1265.

2 The Governor in Council is gratified to observe the degree of punctuality which the Board of Revenue have found it practicable to effect in the submission of the monthly Statement of Collections; and he begs to state that before long they will be able to lay each month's statement before Government by the 15th of the following month, according to the expectation signified in their letter of the 7th December 1854 at p 587 P.C.

The Government request that the Board will call the particular attention of the Acting Collector of Guntoor to the inconvenience caused

caused by the delay of his Return for November.

3. In Column 9 of the Statement there is under the Head of "Land Revenue Arrears" a decrease in the Collections in Fuzlee of Rupees 17,239, and by the foot note H this is said to be "owing chiefly to the non suspension of 20% of the Wodavoor demand." The Board are requested to explain this more fully, and to state what has been done in pursuance of the orders of Government of 21st October last at p 1121 and
