Fort Saint George, Revenue Consultation of 6th February 1857.

No. 40. Read the following *Extract from the Proceedings of the Board of Revenue*; dated 23d January 1857, No. 288.

In Cons. 23d January 1857. Read letter from the Acting Collector of Ganjam dated 10th January 1857.

(Here enter No. 5.)

Ordered that the foregoing letter be submitted to Government, with reference to the Proceedings of the Board dated the 24th December 1856.

2. Mr. Knox reports that there has been no Establishment separately for the Womaravilly pans, since, the Board presume, those at Ganjam and Nowpadah have been placed on the new scale. But he intimates his intention of appointing one immediately. The expense attendant on this measure, will be extra to the amount hitherto, or proposed to be in future, sanctioned for the District; but the Board do not see how it can be avoided. Mr. Knox will report the Establishment actually employed without delay, in order that the Board may satisfy themselves that it is not greater than is really requisite. They will then recommend to Government that it may be sanctioned as a temporary charge. The report should be accompanied by such details as are necessary to shew the necessity of an addition to the expenditure from increased demand for salt or other causes. The information at present before the Board on this point consists of little more than the Collector's assertion.

The Government will await the further information promised by the Board respecting the Establishment proposed to be entertained at the Womaravilly Pans in Ganjam.

Acting Secretary to Government.
