Fort Saint George, Revenue Consultation of 6th February 1857.

No. 50. Read the following letter from P. B. SMOLLETT, Esq., Agent to the Governor, Vizagapatam; to T. PYCROFT, Esq., Chief Secretary to Government Fort St. George; dated Parvatypoor 11th January 1857, No. 5.

SIR,

Para. 1. In the Proceedings of the former Commissioner for the Northern Circars of date the 7th March 1853, para. 18, reference was made to the ill-feeling subsisting between the Zemindars of Vizianagrum and of Bobilly partly arising out of points of etiquette, and partly proceeding from the acquisition of some large villages by the Zemindar of Bobilly in the heart of the Vizianagrum estate, a state of things which gave rise to constant collisions, some compromise was suggested by Mr. Elliot, and in the Minutes of Consultation of the 19th April 1853, the Government approved of this suggestion if practicable.

2. I have now much pleasure in reporting that, under my mediation, a compromise of all existing disputes between the two Zemindars has been effected in a manner satisfactory to the feelings of both parties. Two heavy suits, long pending on the civil side of the Agent's Court, regarding points of etiquette and touching the interference of the Vizianagrum Zemindar in the affairs of the villages in question have been abandoned. The Zemindar of Vizianagrum on his part has made some concessions on the point of etiquette, and the style of address to be in future followed has been amicably settled. The Zemindar of Bobilly on the other hand, has restored the villages on a perpetual rent to the Rajah of Vizianagrum. All matters heretofore in dispute have been thus arranged, and all feelings of irritation on either side are permanently removed.

3. The two Zemindars have begged me to report the reconciliation thus effected, and I have pleasure in doing so. Its beneficial effects will be felt throughout their extensive possessions.

No. 51. ORDER THEREON, No. 131; dated 3d February 1857.

With reference to the expressed wishes of Government, Extract Minutes Consultation 19th April 1853, No. 441, that the Agent in Vizagapatam should direct his endeavours to effect an adjustment of the dispute between the Zemindars of Vizianagrum and Bobilly, by an interchange of their villages, Mr. Smollett reports in the above letter that under his mediation, an amicable settlement of their long existing dispute and ill feeling has been happily arranged, in a manner satisfactory to both parties and by mutual concessions.

The Right Honorable the Governor in Council desires that the Agent will communicate to the two Zemindars the gratification which Government derive, from being informed that the matters in dispute between them have been so satisfactorily and honorably settled. His Lordship in Council views with entire approval the endeavours made by the Agent for the reconciliation of these two great proprietors, which have been so fully successful.

(Signed) H. FORBES,
 Acting Secretary to Government.
