The Right Honorable the Governor in Council desires that, as suggested by the Collector of Chingleput, the services of the Darogah, Maistry, and Conicopoly hitherto employed at the Roshun Bagh be dispensed with,—their wages paid up to the time of their discharge, and themselves, with the four Peons, recommended by the Agent for any Pensions or Gratuities, to which they may be entitled according to the established Rules.

2. For the management of the Garden, at least for the present, the Government authorize two Peons and two Gardeners being entertained, as proposed by the Collector. If any of the late Peons are retained either for Peons or Gardeners, they will draw any Pension or Gratuity to which they may be entitled in addition to their future Pay under Government.

3. As respects the disposal of the property, the Government are not willing to sell any part of it. The Collector will report to them what leases there are, and when they will fall in. Meanwhile, he will grant no more leases, but will manage the land, as far as it has come into his charge under Aumanie.

4. An increase of Rupees (2) two per mensem is authorized, for the present, to the pay of the Sydapet Zilladar for the care of the Garden; but he should be informed that he must not reckon on its continuance.

5. The Government desire that the Dewan be instructed, in reference to his letters to the Agent, to make over to the Sydapet Tahsildar any accounts or property that he may have connected with the Garden.
