Fort Saint George, Revenue Consultation of 12th January 1858.

No. 3. Read the following Extract from the Proceedings of the Board of Revenue ; dated 8th December 1857, No. 4401.

Read letter from the Acting Collector of South Arcot dated 20th November 1857.

(Here enter No. 215.)

Forwarded for the information of Government in reference to para. 19 of Extract Minutes Consultation 26th October 1857, No. 1093, R. D.

2. It will be observed that though the *average* of land remuneration was as the Government state 13½ Rupees per man, there have been 2 classes formed, one for important, the other for small villages. In the former, 13 men get 18 Rupees in land and 12 in money, (in accordance with Extract Minutes Consultation 30th March 1852, No. 289, R. D.) and in the latter 36 men get 12 Rupees of land and 6 of money. The Collector did not consider that the Extract Minutes Consultation above referred to, required a total value of 30 Rupees to be given to each Taliary, but that it was fixed as the *Maximum*. Under these circumstances the Board presume the arrangement is admissible.

3. Mr. Taylor explains that the emoluments for Toties, have been in this instance proposed, independent of those to Taliaries.
