Fort Saint George, Revenue Consultation of 9th February 1858.

No. 3. Read the following Extract from the Minutes of Consultation in the Political Department under date the 20th January 1858, No. 57.

Read the following letter from G. T. BEAUCHAMP, Esq., Civil Judge of Combaconum; to T. PYCROFT, Esq., Chief Secretary to Government, Fort St. George, dated 22nd December 1857, No. 1738.

SIR,

1. The Zillah Surgeon has put into my hands a letter (a copy of which is enclosed) from the Collector calling upon him to make the reduction noted in the margin* in the Establishment of the Civil Dispensary at this Station.

2. It cannot be expected that the services of competent persons can be secured at this rate of remuneration, and as Dr. Joseph is under the impression that the reduction, if carried out, will materially affect the institution, I deem it right to address you directly on the subject.

3. The Dispensary is on a different footing from those existing elsewhere, for the Dresser is not on the regular Establishment, but was specially appointed by the order of Government, dated 18th November 1843, and his salary has been paid, not out of the General Revenue, but the Local Chuttrum Fund. The Ward Cooly's salary has been paid out of the same Fund. The other attendants, supplies, &c., have been, as in all other Dispensaries, furnished by the Commissariat.

4. The collections which went to form the Chuttrum Fund have recently ceased and the Dispensary in common with all other Institutions paid out of it will be affected by the orders of Government, dated 11th June 1857, and in future receive only half the sum which has hitherto been drawn.

5. The Dispensary is perhaps the most important in existence. The number of capital operations performed in it is far greater than in any other, and I have been greatly struck with the confidence with which Patients submit to the treatment which Dr. Joseph considers necessary.

6. The Government, I should also remark, have under date 10th October 1857, recommended that a first Dresser should be added to the existing Establishment.

7. I therefore beg to recommend that a sum equal to that which the Dispensary loses by the remission of the Government demand on account of Chuttrums may be made good to it from the General Revenue.

From H. D. PHILLIPS, Esq., Acting Collector; to the Zillah Surgeon in charge of the Lunger Khana Combaconum, dated Vullum, 19th December 1857, No. 1848.

SIR,

The Sotuntarum Manum hitherto realized in this District for the benefit of Chuttrums, from which also the salaries of the Dresser and a Cooly at the

Lunger Khana at Combaconum have hitherto been defrayed, having been abolished under orders by Government, dated the 11th June last, No. 576, paragraph 16, and future payments to Chuttrums having consequently been reduced to one-half the amount heretofore allowed, I have the honor to request you will diminish the pay of the Lunger Khana Establishment by a moiety of the present amount.

The Right Honorable the Governor in Council is of opinion that the petty amount, Rs. 14½ per annum, of which the Combaconum Dispensary has been deprived by the abolition of the Chuttrum Sotuntarum Manum may well be made a charge upon the Funds of the Tanjore Choultries, the management of which was, by Extract Minutes of Consultation of the 15th ultimo, vested in the Board of Revenue. Orders to this effect will be communicated to the Board through the Revenue Department. The Collector will continue the present payment from the Treasury until the arrangement now directed takes effect, that the service of the Dispensary be not impeded.

(True Extract and Copies.)

(Signed) T. PYCROFT, Chief Secretary.

No. 4. ORDER THEREON, No. 146; dated 3rd February 1858.

Ordered to be communicated to the Board of Revenue.

(Signed) H. FORBES,
Acting Secretary to Government.
