No. 8. ORDER THEREON, No. 114; dated 27th January 1858.

1. In these Proceedings, the Board enquire whether the sum of Rupees 1,000, out of the surplus Pagoda Funds in deposit in the Chingleput District, which they recommended in their Proceedings of the 4th November last, No. 3762, should be laid out in clearing tanks and wells in the town of Chingleput, may be at once disbursed to Mr. Dowdeswell, in repayment of the amount expended by him, out of his private resources, in making the improvements in question.

2. The Right Honorable the Governor in Council observes that, in Extract from the Minutes of Consultation of the 4th December last, in which the orders of Government on the Board's proposal were conveyed, it was directed that the inhabitants of Conjeveram should first be asked if they would consent to the introduction of the Municipal Act; and, if they refused, that then the capital might be invested in Government securities, and the interest be each year expended on such local works as might be most advisable; preference being given to those works, and those places for, and in which, the voluntary contributions were the greatest.

3. The Board will therefore be pleased to ascertain whether the first part of these orders has been carried into effect; and if they learn that the people of Conjeveram are averse to the introduction of the Act, they will then authorize the Collector to pay Mr. Dowdeswell Rupees (1,000) one thousand for the completion of the improvements undertaken in Chingleput with the contributions of the people; that Gentleman recovering therefrom the amount which he has spent in pursuance of this object.
