Fort Saint George, Revenue Consultation of 31st February 1858.

No. 31. Read the following Extract from the Proceedings of the Board of Revenue; dated 25th November 1857, No. 4154.

* In Cons. 25th November 1857. Read letter from the Collector of Coimbatore, dated 9th November 1857.*

(Here enter No. 193.)

Resolved that the foregoing letter be submitted for the information and orders of the Right Honorable the Governor in Council, with the reference to Extract Minutes Consultation, dated 20th May 1857, No. 484, Revenue Department.

1. The Collector reports that the public Bungalow at Ootacamund is not the building formerly used as a jail, but a small house which formed at one time the quarters of the late Sergeant Holmes.

2. Mr. Thomas observes that he explained in his letter, dated 16th July 1855, that the building alluded to would be used for a travellers' Bungalow when the stores of the Governor General's followers were removed from it, and that in authorizing its transfer to him he concluded that the Government approved of the measure.

3. The Collector further states that a travellers' Bungalow is especially necessary in such a climate, and in a place where so many persons resort for the benefit of their health, and where suitable accommodation cannot always be obtained at once.

4. Under these circumstances, the Board recommend that sanction be granted for the entertainment of a pensioned sepoy and a sweeper for the public Bungalow at Ootacamund.

5. The Board submitted the Collector's first application for an establishment for this Bungalow without question, in consequence of their having noticed an advertisement regarding the building in the Gazette dated 11th November 1856, page 722.

6. They regret that the call of Government for information was accidentally overlooked by them for a lengthened period.

(A true Extract.)

(Signed) J. D. SIM, Acting Secretary.

Ordered in consequence that the following letter be despatched.

No. 32. From H. FORBES, Esq., Acting Secretary to the Government of Fort St. George; to C. BEADON, Esq., Secretary to the Government of India; dated 6th February 1858, No. 160.

Sir,

1. I have the honor to forward a Tabular Statement in the prescribed form for the employment of a pensioned Sepoy and a Sweeper to take care of and to clean the public bungalow at Ootacamund, the former on a salary of Rupees 5, and the latter on Rupees three per mensem.

2. The building in question is represented to be much frequented by travellers resorting to the Neilgherry Hills, and the establishment to be very necessary: the usual rate of batta for a Sepoy is Rupees 2.12.5 per mensem, but in consequence of the locality of the Bungalow, in a climate where natives of the low country are unwilling to take service on the ordinary rates, it has become necessary to assign a higher allowance, and the Government recommend that the salary of Rupees 5 for the Sepoy and 3 for the Sweeper, now proposed, be sanctioned.

Extract from the proceedings of the
Board of Revenue dated 25th March 1857
No. 1. Short letter from the following
to the Board of Revenue dated 25th March 1857.

(The Board of Revenue)

Resolved that the foregoing
letter be submitted for the information and
orders of the Right Honourable the Governor
in Council, with reference to the Board of Revenue
(proceedings dated 20th May 1857, 1858 & 1859)
The Collector reports that the
Buddhist population at the present time is not the
number of years ago but a
small number of years ago at one time
the number of the Buddhist population
was very large. The Board of Revenue has
been informed by the Collector dated 25th March 1857
that the Buddhist population would be
great for a number of years. The Board of Revenue
has been informed of the Governor General's pleasure
and has been removed from it and that in authorizing
the Board of Revenue to be concluded that
the Government approved of the measure.
The Collector has been stated
that

that a variety of Bengal is especially
necessary in such a climate and in a
place where so many persons resort for
the benefit of their health, and where
suitable accommodation cannot always
be obtained at once.

Under these circumstances
the Board deemed that sanction
be granted for the construction of a
new building, and a warrant for the
purchase of materials at the Government.

The Board submitted the
Collection of applications for an estimate
for the Bengal. Without question,
the Government of India having decided
on the construction of the building,
the Board stated in a resolution and paper.

They agreed that the call
for information was made
in a timely and useful manner for a long
time.
