Fort Saint George, Revenue Consultation of 26th January 1858.

No. 52. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to H. FORBES, Esq., Acting Secretary to Government; dated Madras, 9th January 1858, No. 14.

SIR,

I have the honor to forward Extract from a letter from the Collector of Trichinopoly dated 16th Ultimo in which he states his inability to depute a Covenanted Revenue Officer to superintend the demarcation of the boundaries for the survey now progressing in his District. Mr. Bird observes that he has only one Subordinate, viz. an Acting Head Assistant and that the Jumabundy and other duties of the district must now engage their attention. I would beg to point out that in the interval which may elapse before the Assessment establishments are organized it would be of the greatest advantage to afford Mr. Bird some further assistance in a Junior Assistant, if such arrangement is practicable, in order that the demarcation may proceed with that supervision which is requisite to secure certainty and promptness of procedure.

Extract from a letter from the Collector of Trichinopoly; dated 16th December 1857.

6. I have no Covenanted Revenue Officer who can be deputed to settle and mark the boundaries of any disputed limits. With one Head Assistant, and he only Acting, it is just simply impossible. In fact I deem it but just to myself, and to you as the Revenue Survey Director, to state I cannot undertake without further Covenanted assistance, the adaptation of the assessment to the surveyed talooks, concurrently with the others heavy duties of this district, more especially at the present season when the Jumabundy settlement is at hand.

(Signed) J. BIRD, *Collector.*

Director of Revenue Settlement.

No. 53. ORDER THEREON, No. 102; dated 26th January 1858.

Resolved that Mr. Newill be informed that Mr. W. C. SIM, has been appointed Assistant to the Collector of Trichinopoly.
