Constn No 121 & 122 Rec 8/30—3—1858

I circulate Gen'l
application of Capt.
Priestley for order.
It cannot be ci-
-rculated; Doth
Love a hod reference
ence, that the Head
& the Secretary Dept.
should take a
month leave to the

Hill, just as the
Govt. have taken
upon themselves
sanction the Secretary
to establishment of
the proposed Bank the
duty is one that
will not bear delay
23rd [illegible]

I think so, but at
the same time Capt. Smith
tells me we have in a
short time - it will pro-
bably be more convenient
to us. than when the es-
tablishments are more
fully at work -

Mr Hill spoke to
me on the subject last

In forwarding with his favourable recommendation this application for the leave of absence to the Superintendent of Revenue Survey, the Director of Revenue Settlement begs to state that a compliance with it will be less inconvenient at the present time than at any early future period when operations are commenced by Captain Priestley in Rajahmundry, as the Demarcation party will require some little time to prepare the boundaries for the Survey Department, and the Superintendent may also in the interval depute a Surveyor to train hands for the work without the necessity of his personal superintendence for the short period of his leave.

Revenue Settlement

Wednesday - as if demurring to the leave - but I see that his letter recommending it has a letter date - so I suppose he thinks this course is under his discretion - the Ct - if such be the case - which I do not think it is - I would approve - but I do not approve - this - And if it was other just at present Captn P - would be wanted on the work - Write Letter now thanking for it

I would approve of Lt Col Warren
