7					The construction of the Choultry at Caroor in the District of Coimbatore was sanctioned by this Government on the 7th October 1854 from the surplus Chuttrum Funds of that District for the accommodation of Travellers. The Collector and the Board of Revenue in reporting its completion recommend the entertainment of the establishment for the care of the building, and the Government support the recommendation considering it to be absolutely necessary for the due preservation and cleanliness of the Choultry and also to afford the Travellers assistance in procuring and preparing food without which the building itself will be of little use. The establishment now proposed is on the same scale as that sanctioned by the Government of India under date 18th September 1857 for other similar Choultries in the same District.	Favorable.			Sanctioned.

Acting Secretary to Government.
