No. 760

From W. H. Bayley Esqre
Acting Secretary to the Govt.
of Fort Saint George

To C. Beadon Esqre
Secretary to the Government
of India

Depart. Sir,

On the 5th March last, the Govt. of India met an application of this Government, for the entertainment of a Sepoy and Sweeper for the Travellers' Bungalow at Ootacamund, with the enquiry whether there was any necessity for the Govt. to keep up a Bungalow at a station, where there was no want of hotel accommodation. I am now directed to report that it is thought both by the Board of Revenue and the Collector, to be really desirable to maintain the public bungalow at Ootacamund; as, although hotel accommodation is to be had at the hills, the only two hotels at Ootacamund are often full, and temporary accommodation cannot be easily procured elsewhere. In his letter of the 9th Novr 1857, Mr Thomas adverting to the climate of Ootacamund and the frequency of resort to it for the restoration of health, reported that the Travellers'

Bungalow

Bungalow was necessary, as people often arrived at night, relying on the Bungalow for temporary shelter until they could find suitable accommodation elsewhere. The Acting Collector, Mr. Cherry confirms the statement of new comers suffering inconvenience from this want of accommodation.

2 Under these circumstances, I am directed to renew the application of this Govt., submitted in Mr. Forbes letter of the 6th February last No. 160 for the entertainment of a Sepoy on five, and a Sweeper on three Rupees a month, for the care and service of the Travellers' Bungalow at Polacamund; and to state that, as the Bungalow will be furnished and a fee charged for its use, the expense of the Establt. will in all probability be more than met from this source.
