2. The Board have now received an application from Mr. Cherry, to be supplied with certain instruments for his Surveyor, who, while the class existed, had the use of these specially provided for it. As it is necessary for the due performance of his duties that the Surveyor should have a set of instruments, the Board request that a sum of Rupees 300 may be placed at their disposal, to enable them to purchase whatever is requisite.

From Coimbatore dated 9*th, in Con.* 21*st July* 1858.

3. In anticipation of the sanction of Government, such instruments as could be procured in Madras, have been obtained and submitted for the opinion of the Examining Committee who have approved of them; but the remaining articles are not to be had in the shops, and the Board have applied to the Director of Revenue Settlements, to know whether he could spare them from the stock originally purchased for the District Survey-classes. If a reply in the affirmative be received, the Board propose to take the articles at their cost-price, which they will pay to Mr. Newill to enable him to replace them, should circumstances render it necessary.
