Diary 21.9.1885

No. 43. Read the following Extract from the Proceedings of the Board of Revenue, dated 30th August 1858, No. 3308.

Read letter from the Acting Collector of Malabar, dated 3rd June 1858.

In Cons. 30th Aug. 1858.

(Here enter No. 87.)

Resolved that the above letter be forwarded to Government with reference to Extract Minutes Consultation, R. D. No. 403, dated 29th March last, paras. 15 and 16.

In Cons. 28th April 1858.

2. The statement accompanying this letter shews, that during the Official year 1857-58, the charges for the Press Establishment in Malabar, amounted to Rupees 760-14-11, and those for Contingent expenses to Rupees 106-13-6.

3. The transferred pay of sanctioned establishments under the Government sanction of 6th March 1857, No. 231, R. D., amounts to Rupees 414 per annum, and deducting this amount, there remains a surplus expenditure of Rupees 453-12-5, for which formal sanction is required, to enable the Civil Auditor to pass the charges in the Collector's accounts.

In Cons. 13th March 1857.

4. The Board have no hesitation in recommending to Government that this formal sanction be accorded. In the Extract Minutes Consultation above quoted, the Government have already permitted the adoption of the principle, that Press charges may be defrayed from Press receipts, and the following statement will shew that after deducting all charges, and the amount of original advances from Government that have now been repaid, there still remains a very considerable balance in hand, towards the expenses of the current official year.

Expenditure.	Rs.	A.	P.	*Receipts.*	Rs.	A.	P.
Establishment for 1857-58... ...	760	14	11	Balance in hand at commencement of official year...	341	0	2

Total Rs...	1,067	12	5	Total Rs...	1,890	12	8
				Deduct Expenditure...	1,067	12	5
				Balance...	823	0	3

5. The above figures are taken from a statement that accompanies the Acting Collector's report on the working of the Press, the substance of which will be laid before Government in the General Report on District Presses, and shews that compliance with the Acting Collector's request, will involve no additional expense to Government.

6. The Board also recommend, that under the circumstances stated in the above letter, the Acting Collector be permitted to retain his experimental Establishment for another year.
