Resolved that the above letter be laid before Government with reference to the correspondence noted in the margin.

In Con. 23d April 1858. In his letter dated 15th February 1856, the Collector reported that he had provided for his Press establishment by the reductions noted in the margin. *(a)*

2. The Board objected to the reduction of the Peshcars, and the Collector then proposed the abolition of the offices noted marginally. *(b)*

3. In the interval, however, Government had on several occasions refused to permit the reduction of Peons for Press purposes, and the Board requested a modification of this part of the arrangement. Mr. Pelly however explained that, calculating on the services of all his Goomastahs in the revision of assessment, he had not applied for extra assistance in that department for the work of the revision, and he therefore requested permission "to postpone the reduction of the Hoozoor establishment, until the completion of the revision of assessment" and to "continue the arrangements already made for the printing establishment" till then.

From Collr. 12th Feb. in Con. 25th March 1858, *p.* 3.

4. The Board misunderstood Mr. Pelly, and under the impression that the arrangements he wished to continue for the present were those given in the margin of para. 2 of these Preceedings, applied to Government for temporary sanction which was accorded in Extract Minutes Consultation 28th November last, Revenue Department, No. 1234.

In Con. 1st December 1857.

5. In his letter of the 12th February last, Mr. Pelly prominently noticed the misapprehension, and explained that two of the Goomastah appointments intended for the Press had become vacant, and with the sanction of Government their pay had been applied to the entertainment of a large number of servants of the same class for employment in the revision of assessment. He therefore requested either that his original arrangements for the Press should be allowed to continue, or that a distinct establishment should now be provided for it, and met by reductions as soon as the revision was completed.

In Con. 25th March 1858.

6. It was the former of these propositions which the Board recommended for sanction in their letters of the 25th March and 22d May last, but Government, conceiving that the Press would thus be an extra charge, declined to allow it.

7. In obedience to the orders conveyed in Extract Minutes Consultation 14th June last, R. D., No. 812, the Collector has carried out the arrangements sanctioned in Extract Minutes Consultation, 28th November last from the 1st Ultimo, replacing the three Peshcars referred to in para. 1 of these Proceedings. This renders it necessary that extra assistance should be afforded to him for the revision of the assessment, and he accordingly requests that he may be permitted to employ four Goomastahs for this purpose, on an aggregate salary of Rupees 48 per mensem, being one Rupee less than the united salaries of the Goomastahs now reduced for the Press.

In Con. 22d June 1858.
In Con. 1st December 1857.
Vide marginal Abstract B. para. 2 of these Pro.

8. Mr. Pelly thinks it probable that this extra charge may ultimately be covered by savings in the amount allowed for the revision, but the sanction of Government is meanwhile necessary to enable the Civil Auditor to pass it.

9. The Board recommend that sanction may be accorded as requested by Mr. Pelly.
