Back No 546

Order No 215 of 15th Feb 1858

Fort Saint George, Revenue Consultation of 23d February 1858.

No. 5. Read the following Extract from the Proceedings of the Board of Revenue; dated 29th January 1858, No. 451.

* In Consultation 29th January 1858.

Read letter from the Acting Collector of Malabar dated 8th January 1858.*

(Here enter No. 7.)

In the above letter, the Acting Collector recommends that the property of the Nelialomars family (one of the chief forest jemnies of Wynaad) should be placed under the Board's Wardship on behalf of the widow and son of the proprietor who died in 1850.

2. The property consists chiefly of extensive Forests, and is valued now at about Rupees 20,000, but is highly improvable.

3. The income of the family last year proved insufficient to cover their expenses, but the Acting Collector is of opinion that if the cultivation of the property is duly attended to, enough may be realized for their maintenance.

4. The Revenue paid by the family amounts to Rupees 114-8-4 per annum.

5. The widow is unable to conduct her affairs efficiently, has been already obliged to part with some of her lands on disadvantageous terms and has herself applied to be placed under the guardianship of the Court of Wards.

6. The child is about 4 years of age and sickly.

7. The Board concur with the Acting Collector that the property should be taken charge of, to secure the interests of the family as well as the revenue rights of Government.

8. They resolve accordingly to request the permission of Government to assume charge of the Estate under Regulation V. of 1804. In the event of Government acceding to this proposal, they will arrange details with the Acting Collector.

(A true Extract.)

(Signed) J. D. SIM, Sub-Secretary.

No. 6.

(Signed) H. FORBES,

Circular from the Proceedings of the Board
of Marine, dated 27th January 1858.

These letters from the Acting Col.

Salisbury, January 1858, dated 8th January 1858.

(See entry 17).

In the above letter the Acting
Colonel recommends that the property of
the Missionary Society, one of the chief
social services of the island, should be placed
under the control of a select committee of
the natives and one of the proprietors who died
in 1852.

The Colony consists chiefly of
settled natives and is much more at present
than 20 years ago highly improvable.

The income of the family last
year, found insufficient to cover their expenses,
but the Acting Collector is of opinion that
if the cultivation of the property is duly attended
to, a large sum may be realized for their
support.
