Fort Saint George, Revenue Consultation of 25th February 1858.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue, dated 29th January 1858, No. 449.

Read letters from the Collector of Rajahmundry dated 7th November and 29th December 1857.

(Here enter No. 161.)

Resolved that the above letters be submitted for the consideration and orders of Government.

2. The Collector reports that the Proprietor of the Kirlumpoody Estate died on the 30th October last leaving a son aged 13 and 3 daughters of whom two are married and the third is 8½ years old. The Peshcush of the property is Rupees 23,306½ and the demand of Fusly 1267 was Rupees 39,309 excluding arrears &c. A small sum (Rupees 67) was due out of the October kist of Peshcush when the Collector's first letter was written, but the collections of the Fusly up to the 9th November including arrears were Rupees 13,084 and Rupees 27,977 have still to be realized. The other property of the family consists of jewelry, houses, &c. to the estimated value of Rupees 32,185, besides which there was a small sum in ready money (Rupees 242) in the proprietor's treasury.

3. The Collector received an urzee purporting to be from the proprietor and dated 29th October last, in which the latter notified his nomination of his widow as guardian of his son and of her nephew as agent to manage the property during the minority. The Collector states that the date of this urzee had been "corrected to the 29th October" but does not mention whether from this or any other circumstance he doubts its genuineness.

4. The widow is 40 years of age and her nephew is co-proprietor of two Estates with his brother who is married to the 2d daughter of the deceased.

5. Claims have been advanced against the Estate to the amount of Rupees 14,252 and the Collector believes the total debts will prove to be about Rupees 20,000; some of them bearing high interest.

6. Mr. Purvis considers it advisable, for the interests of Government and the minor, the Estate should be placed under the care of the Court of Wards.

7. In this view the Board concur and they accordingly request the authority of Government to assume charge of the minor and his property.

(A true Extract.)

(Signed) H. FORBES,
Acting Secretary to Government.
