Fort Saint George, Revenue Consultation of 2d March 1858.

No. 3. Read the following letter from H. CLEGHORN, Esq., M. D. Conservator of Forests; to the Secretary to Government Revenue Department Fort St. George; dated Madras 27th January 1858, No. 272.

SIR,

I have the honor to request the orders of the Right Honorable the Governor in Council on the following case.

Pensioned Quarter Master Serjeant John Shelly held the post of Salt Agent at Cannanore and subsequently Manager of the Sea Customs at Tellicherry on a salary of Rupees 75-8-0. On 8th July last, I selected him for an Overseership in Canara on a salary of Rupees 80 and the appointment was confirmed* by Government, Mr. Shelly immediately resigned his appointment at Tellicherry and proceeded to Hullial, where he arrived on 19th August. On 20th August he tendered his resignation on the ground of sickness and the severe indisposition of his wife, (since dead) but he continued at Hullial till the 31st when he left for Cannanore.

* *Extract Mins. of Cons. Revenue Department 24th July* 1857, *No.* 737.

I am satisfied from the high character Mr. Shelly bears as well as from his having resigned the appointment he formerly held, that had he been enabled to remain he would have faithfully discharged the duties assigned to him. He drew up a Memorandum on various subjects, which had come under his notice during his short sojourn which I have since found useful.

I am induced therefore to request that, though not strictly entitled to it, Mr. Shelly may be permitted to draw travelling allowance for the distance between Tellicherry and Hullial at the same rate as was† allowed to Overseer Lennon when proceeding from Madras to the Anamallay forests but I should not of course look upon this sanction, if granted, as a precedent.

† *Extract Mins. of Cons. Revenue Department 15th June* 1857, *No.* 592.

No. 4. ORDER THEREON, No. 240; dated 24th February 1858.

Before passing orders on the above letter, the Right Hon'ble the Governor in Council wishes to be informed of the date on which Serjeant Shelly ceased to draw his salary in the Sea Custom Department, and the date on which he commenced to draw salary in the Forest Department, as that information is not to be gathered from the Conservator's letter.
