minutes of Consultation
2nd March 1858.

Back nos. 9 & 10.

Order No. 243 of 24th Feb. 1858.

D2

Fort Saint George, Revenue Consultation of 2d March 1858.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th January 1858, No. 210.

Read letter from the Collector of Cuddapah dated 8th December 1857. Stating that he has but one press, and that he will be unable to issue a District Gazette unless he is furnished with another, the one in use being scarcely equal to the work it has to perform.

(Here enter No. 124.)

Resolved that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council.

2. The Board observe that the Iron Press furnished to the Collector of Cuddapah is one of the two purchased by the Collector of Bellary from the mission at that station. All the Collectors who were supplied with printing materials from Madras were however furnished with two Presses, an Iron and a Wooden one; and as it is desirable that the Collector of Cuddapah should have the same facilities for carrying on the work of his office, the Board recommend that he may be furnished with a Wooden Press similar to those provided for the other Collectorates.

3. Mr. Murray will be informed that fresh type will be supplied when that in use becomes unserviceable.

(A true Extract.)

(Signed) J. D. SIM, *Acting Secretary.*

No. 10. ORDER THEREON, No. 243; dated 24th February 1858.

Resolved that the Superintendent of the Government Gazette Press be directed to supply the Board of Revenue for transmission to the Collector of Cuddapah, with a new wooden Press if a second hand is not procurable and to charge the value of the same in a contingent bill.

(Signed) H. FORBES,

Acting Secretary to Government.
