Minutes of Consultation

2nd March 1858.

Back Nos 22 & 23.

Order No 250 of 25th Feb 1858.

Fort Saint George, Revenue Consultation of 2d March 1858.

No. 22. Read the following Extract from the Proceedings of the Board of Revenue; dated 13th February 1858, No. 612.

In Consultation 13th Feb, 1858. Read letter from the Collector of Canara, dated 24th July 1858.

(Here enter No. 72.)

Board's Nos. 2229 and 3018 of 1856. The petitioners shipped a cargo of Rice and Grain at Mangalore for Alleppie and paid Rupees 82-11-0 as export duty thereon. The vessel was driven by stress of weather into Cochin and they claim refund of the duty paid by them at Mangalore.

2. The Acting Collector of Malabar has informed the Collector of Canara that this statement is correct and the Board recommend that authority may be granted for refund of the duty.

3. The grain does not appear to have been re-exported by sea from Cochin and if it had, the owners would have had to pay duty or prove that they had already paid it. As regards its importation by back-water to Alleppie, the Board remark that this is merely a conjecture and that as petitioners shipped their grain originally for Alleppie and paid duty accordingly, the presumption is in their favor. At any rate the levy of export duty at Mangalore on goods actually landed at another British port cannot be upheld on that supposition.

Resolved that the application of the petitioners be submitted for the orders of Government with copy of the above proceedings.

No. 23. ORDER THEREON, No. 250; dated 25th February 1858.

The Right Honorable the Governor in Council sanctions the refund recommended in the foregoing Proceedings, amounting to Rupees (82-11-0) eighty-two and annas eleven.

(Signed) H. FORBES,
Acting Secretary to Government.

The petitioners shipped a cargo of Rice and Grain at Mangalore for Alleppe and paid Rupees 82-11-0 as export duty thereon. The vessel was driven by stress of weather into Cochin and they claim refund of the duty paid by them at Mangalore.

2. The Acting Collector of Malabar has informed the Collector of Canara that this statement is correct and the Board recommend that authority be granted for refund of the duty.

3. The grain does not appear to have been re-exported by sea from Cochin and if it had, the owners would have had to pay duty or prove that they had already paid it. At any rate the levy of export duty at Mangalore on goods actually landed at another British port cannot be upheld on that supposition.

Resolved that the application of the petitioners be submitted for the orders of Government with copy of the above proceedings.
