Fort Saint George, Revenue Consultation of 12th March 1858.

No. 17. Read the following Extract from the Proceedings of the Board of Revenue; dated 8th February 1858, No. 580.

**In Cons. 8th February* 1858. Read letter from the Collector of Tinnevelly, dated 5th January 1858.*

(Here enter No. 9.)

1. Resolved that the foregoing letter be submitted to Government, with reference to Extract Minutes Consultations 14th January and 26th September 1857, R. D., Nos. 60 and 988.

2. In the above letter the Collector reports that the Travancore authorities claim a small extent of land in addition to that already ceded by Government.

Merc.	*Ms.*
19	$4\frac{3}{8}$

3. The land now sought forms the water spread of a tank in the Codecoorchee village and in Fusly 1243 (when the village was under attachment) it was brought into cultivation and amalgamated with the land of a Government village bearing the same name. The Collector reports that it is not included in the Oloongoo accounts of the latter, and that it lies within the Travancore side of the boundary approved by Government in Extract Minutes Consultation dated 14th January 1857, No. 60, R. D.

4. Under these circumstances, the Board recommend that the Collector may be authorised to transfer the land in question to the Travancore authorities.

5. From the enclosure to the Collector's letter it appears that the proceeds of the land now claimed have amounted to Rupees 146-14-11 and have been carried to the credit of Government. The Board presume this sum must also be refunded, but the Collector does not ask sanction for the repayment, nor does he state whether the transfer of the land will affect any of the other arrangements sanctioned by Government.

6. This information he will furnish at an early period.

No. 18. ORDER THEREON, No. 288; dated 4th March 1858.

Under the explanation afforded in the above papers, the Right Honorable the Governor in Council sanctions the transfer to the Travancore Government of the additional extent of land measuring Merc. 19, Ms. $4\frac{3}{8}$, claimed by them as belonging to the lands of the Codecoorchee village already ceded to them, and situated on the Travancore side of the lately adjusted boundary.

2. Some re-adjustment of the account with the Travancore Government may now become necessary, but on this point and as regards the accumulated proceeds of the land now ceded, amounting as it appears to Rupees 146-14-11 from Fusly 1243 to Fusly 1266, the Government will await the further report required by the Board from the Collector.

(Signed) H. FORBES,
Acting Secretary to Government.
