I have the honor to forward an application for leave of absence from the District of N. Thomas, the Special Assistant Collector.

Although his absence from the District is far from desirable, still I shall offer no objection, if the leave is not extended beyond a month. I do not think it at all advisable that the Malabar Taluqs should be without a European Magistrate beyond that time, they have already been more than two months without the

presence of a European. The effect
must be bad, for I fear that the
ill disposed are apt to imagine that
the vigilance of Government is being
relaxed.

Sir,

Dear Sir,

Re Acting Collector of
Malabar

Sir,

I have the honor to request
you to obtain for me leave of absence for a
month from the 1st January next under
section 81, Chapter III of the Malabar Rules
for the purpose of visiting the Malabar
Hills.

I am on a late occasion, I made
an application for leave, & in doing so at the
same time to mention that during my
absence, I would be in the Malabar
Hills. I am not sure that my particular
subject in the present occasion was to
meet my two brothers, an opportunity which
was not likely to occur. The Government
replied in briefest minutes of consultation
under date the 21 October 1858, that they are
unable to grant the leave applied for,
as my services are urgently required
in the Subordinate Court of Cash out
to operate during the absence of the
Acting Collector. I was pleased
my application.

I trust I may be excused for saying
frankly that the temporary promotion then
given me was wholly against my inclination
and that though I could not refuse without

lost of time to my new post - the disappoint-
ment was a very severe one.

1. The Attorney General had on that
10. occasion recommended that a portion of
it may accumulated & we should be exonerated
15. from without detriment to the firm since
renewed part of it, and he gave it
20. that the fact on my being asked was
If Government is not prepared to
show me this consideration, must it
may be allowed to take the same three
months of accumulated & give me
to me.
