Fort Saint George, Revenue Consultation of 30th March 1858.

No. 80. Read the following Remarks of the Board of Revenue on a Report from the Acting Collector of Madura, dated 20th January 1858, on a lapsed Enam

In Con. 13th March 1858. No. 919.

This Enam was held without Sunned, and has many years since passed out of the hands of the first holder, who has left no heirs. The person now holding possession asserts that it was mortgaged to his late father, of which no proof exists. Of the other two claimants, one is a *divided* member of the deceased Enamdar's family, and the other is his son-in-law, whose wife died without issue. As they are not entitled to the Enam under the Hindu Law, and its alleged gift is unsupported by evidence, the Board recommend its being resumed.

2. It is observed with reference to the Board's Proceedings of 17th December 1856, that much unnecessary delay has occurred in reporting this case in the prescribed tabular form.
