Fort Saint George, Revenue Consultation of 30th March 1858.

No. 83. Read the following Extract from the Proceedings of the Board of Revenue, dated 10th March 1858, No. 867.

In Consultation 21st January 1858.
In Consultation 10th March 1858.

Read letters from the Collectors of Chingleput and Madras, dated 3d December 1857, and 23d January 1858.

(Here enter Nos. 357, and 14.)

In Cons. 16th Nov. 1857.

Resolved that the foregoing letters be submitted for the information of the Right Honorable the Governor in Council, with reference to Extract Minutes Consultation, dated 19th February 1857, No. 179, Revenue Department.

2. It appears that the increase in the Chingleput salt sales in Fusly 1264 was occasioned by the temporary cessation of the Madras inland sales from 10th October 1854 to 20th March 1855, and not as supposed by the Board from the continued transfer of the trade from the latter to the former district. The inland sales at the Madras Cotaurs, the Collector states, were suspended, in order to force the sales of salt at Ernavoor, where there was a large stock on hand, which it was considered advisable to clear off. This measure had not the desired effect in consequence of objection having been taken to the Bandies of Traders using the Ennore road, which is the way to Ernavoor. Traders therefore preferred having recourse to the Chingleput Stores.

3. With regard to the remark of the Commissioners in para. 405 of their first Report on Public Works that a considerable portion of the salt sold at the Madras Cotaurs was drawn from the neighbourin pans of Chingleput, it is explained that from 1847 to 1854 when the Vulloor and Voyaloor is were transferred from the latter to the former district the salt manufactured at those places as ored at Madras, owing to the supply of salt at Madras not being equal to the local demand.

4. The Collector of Madras states that the sales of salt in his district have materially increased since the withdrawal in 1847 of the restriction against inland sales, while the sales in Chingleput have decreased, though in Fusly 1264 the Chingleput sales from the cause above stated shew an increase. By the removal of the restriction the trade which previously found its way to the Chingleput pans has now been diverted to the Madras Cotaurs.

No. 84. ORDER THEREON, No. 423; dated 30th March 1858.

Ordered that the foregoing Extract be recorded.

Acting Secretary to Government.
