Fort Saint George, Revenue Consultation of 9th April 1858.

No. 7. Read the following Remarks of the Board of Revenue; dated 18th March 1858, on the Tabular Report on a lapsed Yeomiah in the District of Tinnevelly for 1858, No. 969.

7th January in Consultation 18th March 1858.

In their Proceedings dated 8th May 1851, the Board gave a detailed account of the origin and present state of the Chuttrum Fund founded by one Eitbur Khan for the support of certain Mosques and Choultries in Tinnevelly and Madura, for personal charities and for the performance of certain Services.

2. In Extract Minutes Consultation dated 24th June 1851, No. 621, Revenue Department, Government concurred generally in the views expressed by the Board on the subject of these endowments, and sanctioned the continuance of the several Yeomiahs payable from the Fund to the present incumbents according to the rates specified opposite their respective names in the statements A and B prepared by the Board.

In Consultation 7th July 1851, *p.* 6.

3. It will be seen from the Tabular Report of the Collector, dated 20th September 1855, that a reduced Yeomiah of Rupees 170-4-2 was originally granted from the Fund in question to one Jamaishah for lighting lamps in Shum shair Tackeat. On his death on the 9th November 1822 the allowance was divided equally between his two sons Enthoyathableshah and Ebramalleeshah. The share of the former, Rupees 85-2-1, lapsed to Government at his death without issue on 22d April 1824. On the death of the latter on 19th January 1822 his share of Rupees 85-2-1 was continued to his two widows (1) Laul Beebee and (2) Rahomud Kauther and his two sons (3) Syed Emam and (4) Syed Mahomed conjointly. Of these the second and third died some time ago, and the half share of the Yeomiah was continued under the authority of Government in the joint names of Laul Beebee and Syed Mahomed, the daughter-in-law, and grand-son of the original grantee. Laul Beebee died on the 22d February 1855, and one half of the allowance was resumed, and the other half, Rupees 42-9-1, was continued to her son Syed Mahomed, whose death on the 20th January 1856 is now reported.

In Consultation 14th November 1855.

Dated 24th June in Consultation 7th July 1851, *No.* 621, *R. D. and 21st in Consultation 27th October* 1851, *No.* 1043, *R. D.*

Board's Proceedings 14th November 1855.

4. The family left by Syed Mahomed consists of a widow aged 30 years and a son aged 6 years, who it is stated possess no other means of subsistence besides the Yeomiah. The service for which the Yeomiah was granted is kept up by the heirs of the deceased.

5. It is observed that the Collector should have stated whether any importance is attached by the Mahomedan community to the service.

6. The Board however concur with the late Collector Mr. Bird that the service cannot be regarded as one which needs to be kept up for ever. Under these circumstances the Board consider that it will be sufficient if the one half share of the Yeomiah viz., Rupees 42-9-1, held by the late Syed Mahomed be continued to his widow for life, which they recommend may be sanctioned accordingly.
