Fort Saint George, Revenue Consultation of 9th April 1858.

No. 9. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to H. FORBES, Esq., Acting Secretary to Government, Revenue Department, dated Madras 23rd March 1858, No. 97.

SIR,

Para. 1. I have the honor to request you will favor me with 4 copies of the printed correspondence and other records, described below, for the use of the two Deputies already appointed and the two others who may eventually be attached to me. As Mr. Master and Mr. Banbury will leave this for their respective destinations in a few days, it is particularly requested that 2 sets at least of such of the papers applied for as are printed may be sent as early as possible.

2. I would take the liberty of suggesting that if the correspondence which has passed since the volume of "papers relating to the proposed Revenue Survey, &c.," was printed, were made up in a separate volume with the Extract Minutes of Consultation, dated 14th August 1855, No. 951 prefixed to it (without the accompaniments) as the basis of the scheme, it would be extremely convenient for reference and be of general interest also to the Revenue authorities in the Provinces, whom it is desirable to keep acquainted with the progress of the measure.

3. The correspondence which has passed regarding the Revenue Survey since the printed volume No. 9 of Selections was published might also be printed as a sequel to that book, and I would suggest that Captain Priestley's interesting report for the season of 1856, with some of the appendices which give particulars of the mode of procedure should not be over-looked in the selection of papers.
