SIR,

Para. 1. I have the honor to submit the accompanying Estimate of the cost of Furniture &c., required for my Establishment, and those of the two Deputies recently appointed.
2. The Estimate for my own office has been prepared in communication with the Commissary General who will make up most of the articles at the prices specified. This Estimate is exclusive of the articles already sanctioned in Extract Minutes Consultation dated 6th January 1858, No. 12.

3. It is not practicable to make up the Estimates for the Deputies Establishments on very accurate data so as to give the specific details for each article, without the inconvenience of delaying the application till they enter upon their work, and I hope the sketch of what is required will be found sufficient to enable the Government to pass sanction for the sums specified, which have been calculated with as much care as possible; detailed accounts will afterwards be submitted in due course.
