February 1858, para. 8.

Of the 8½ Veesums of Enam land referred to in No. 11 of the Tabular report of 19th* May 1857, 5½ are said to be still in the enjoyment of the grantee's family, and 3½ are held by two others on the plea of their having been acquired by purchase of which, however no documentary evidence is forthcoming. Although the Curnum and others have deposed to the sale before the Tahsildar, yet, as no mention is made of the price given for the land, and the Enam was originally an athonized grant conferred by vil-

lagers, and therefore inalienable, the Board recommend that the 3½ Veesums be resumed on the same ground as the other portion of this Enam was resumed.

No. 26.

ORDER THEREON, No. 471; dated 12th April 1858.

Considering that the grant was originally one made by the Villagers, and therefore invalid as they were not competent to alienate land in Enam and that moreover no documentary evidence of the alleged sale is forthcoming, the Right Honorable the Governor in Council authorises the resumption of the 3½ Veesums of land referred to in the Extract Proceedings of the Board of Revenue above recorded.

(Signed) H. FORBES,
Acting Secretary to Government.
