Order no 478 d/13th April 1858.

No. 38. Read the following Extract from the Proceedings of the Board of Revenue, dated 24th March 1858, No. 1045.
In Cons. 24th March 1858. Read letter from the Collector of Nellore, dated 19th January 1858, No. 7.

(Here enter No. 7.)

Resolved that the above letter be laid before Government with reference to the Board's Proceedings dated 30th October last No. 3703, and Extract Minutes In. Cons. 4th Dec. 1857. Consultation 1st December last, R. D. No. 1238.

2. In this letter Mr. Elton submits his opinion on the changes of boundaries and other arrangements proposed by the late Acting Collector Mr. Taylor.

3. Mr. Elton concurs generally in the views expressed by the Board in the concluding paras of their Proceedings above quoted. He proposes the abolition of two talooks only, viz. Tummultulpoor in the South and Enamanamelore in the North, and the formation of the villages transferred from Cuddapah and the Police division of Gogulapully into a new talook as proposed by Mr. Taylor.

4. Mr. Elton's plan as regards the first talook is to transfer it to Sydapoor attaching part of the latter (as shown in the Map) to Goondavole, the retention of which he strongly advocates.

5. By this arrangement the Sydapoor talook would comprise 87 villages with a revenue of 56,500 Rupees instead of as at present 108 villages with a revenue of Rupees 37,800. The Tahsildar would receive 90 instead of 70 Rupees monthly, and the aggregate charge for establishment would be raised from Rupees 437½ to Rupees 565 per mensem.

6. The Goondavole talook which now contains only 36 villages would under this plan comprise 82, its revenue being Rupees 42,200 instead of Rupees 22,800 as at present. The Tahsildar's salary would be raised from 70 to 85 Rupees and the establishment would cost Rupees 535-10-11, the present charge being Rupees 374-6-11.

7. As regards the Northern part of the district, Mr. Elton repeats his former proposal to unite the Enamanamelore talook with that of Chendaloor, placing both under a Tahsildar on Rupees 100 per mensem. The new talook will consist of 113 villages with a revenue of Rupees 1,32,900. Its establishment will cost Rupees 673½.

8. Mr. Elton concurs in Mr. Taylor's suggestion as to the formation of the villages transferred from Cuddapah and the present Gogulapully division into a new talook managed by a Tahsildar on 100 Rupees per mensem. The establishment set down for it by Mr. Elton is however considerably smaller than that assigned by Mr. Taylor.

9. It will be seen from the above brief sketch that the alterations recommended by Mr. Elton are much more limited than those suggested by Mr. Taylor. Mr. Elton considers the establishments proposed for the new Sydapoor and Goondavole talooks sufficient, but does not speak so confidently of those for the 2 Northern talooks.

10. No additional expenditure will be incurred in carrying out these arrangements and their result as regards the salaries of the Tahsildars of the district will be that three officers of that grade two on 70 Rupees each and 1 on 35 will be abolished while one on 100 is created and the pay of 3 others raised, in one instance from 70 to 85 in another from 70 to 90 and in the 3d from 80 to 100 Rupees per mensem. The Board have already given their opinion very fully on the question of raising the salary of Tahsildars by an expedient of this kind and it is unnecessary for them to recur to this part of the subject.

11. As regards the other changes proposed in the Moyenzabitah they doubt the sufficiency of the new establishments. The abolition of the three Tahsildaries causes a saving of Rupees 175 but 155 of this is absorbed in the new offices of this class, leaving only 20 Rupees available for other purposes. But the establishment for the new Cunnigherry talook (excluding the Tahsildar) is to cost 268½ more than it now does, so that the Collector's plan virtually requires that the work of the other 5 talooks shall hereafter be performed for Rupees 250 less monthly than it now costs. The effect of this change is particularly apparent in the Peon establishment which in aggregate number will be the same as at present but as the police force in the new talook of Cunnigherry is to be increased from 20 to 55, there will in reality be 35 peons less in the other talooks. Fort Saint George, Revenue Consultation of 13th April 1858.

Board apprehend therefore that the establishment of the old talooks has been crippled in the endeavour to provide without further expense a well paid Tahsildar and a suitable establishment for the new talook much of which heretofore belonged to Cuddapah.

12. The question however is now fully before Government and it rests with them to determine what measures shall be finally adopted.

ORDER THEREON, No. 478; dated 13th April 1858.

Before passing orders on the subject of the above Proceedings of the Board of Revenue, the Right Honorable the Governor in Council resolves to call on them for a statement of the area, population, number of villages, and revenue, of each of the newly modelled or newly created talooks, and a second one showing the same particulars, and the strength of the establishments for those talooks, which are to remain unchanged, when some idea may be formed of the sufficiency or otherwise of the proposed new establishments.
