No. 4. Read the following letter from L. FORBES, Esq. Acting Sub-Secretary to the Board of Revenue; to H. FORBES, Esq., Acting Secretary to Government Revenue Department; dated Fort St. George 10th December 1857, No. 4490.

SIR,

With reference to para. 3, Extract Minutes Consultation, dated 6th June 1843, No. 596 R. D. I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying statement of actual charges incurred on account of additional Establishments in the several Districts of this Presidency for Fusly 1265. From this it will be seen that the actual charges of Fusly 1265 are in excess of those of Fusly 1264 by Rupees 3,276, and below the Estimated disbursements by Rs. 5,810, as particularized in the margin.

2. With regard to the items disallowed it is observed that the Government intimated in Extract Minutes Consultation dated 11th February 1857, No. 160 Revenue Department that they would take into consideration the explanations afforded on the subject when the actual charges are submitted for sanction.

To Government 10th December 1856.

3. The increase has been chiefly occasioned by charges estimated and sanctioned for Fusly 1264 in Madura having been incurred in Fusly 1265 and therefore entered in the present Statement, by Extra Peons having been employed at the Madras and Ennore Cotaurs for a longer period than estimated, and by the omission from the Rajahmundry estimate of certain servants with the view of obtaining authority for transferring them to the permanent Establishment. In regard to this last cause of increase the Collector observes that partly through oversight and partly from a doubt whether the whole Establishment would be required no reference was made on the subject in Fusly 1265, subsequently however, on his application, the Board recommended* that this Establishment should be permanently entertained.

*To Government dated 8th June 1857.

4. The Board observe that the Extra servants for clearing off the arrears on the revenue file of the late Tahsildar of Honore, and for the protection of the people during two Hindoo

Festivals held in the Soopah and Ankola Talooks in the Canara District, should not have been entertained without the sanction of Govern-

ment. With regard to the latter charge the Collector explains that the Peons were employed previous to the receipt of the orders of Government directing that such charges should not be incurred without the previous submission of an estimate.

5. Under the explanations given in the column of remarks for the increase in the various items entered in the Statement, the Board of Revenue recommend that sanction be granted for the total actual charges incurred on account of additional Establishments for Fusly 1265, amounting to Rupees 1,03,322-8-0.

No. 5. ORDER THEREON, No. 481; dated 14th April 1858.

The Board of Revenue submit a statement of the actual charges incurred in Fusly 1265, on account of temporary Establishments entertained in the several Districts of this Presidency.

2. In para. 4 of Extract Minutes Consultation dated 11th February 1857, the Government remarked that the explanation afforded in regard to the increase in the Estimates for the Districts noted in the margin, for Fusly 1265, would be taken into consideration when the statements of actual charges were submitted for sanction, and this they will now do. The increase of Rupees 330 in the Masulipatam Estimate is reduced to Rupees 140 in the Statement of actual charges, and is attributed to the employment in Fusly 1265 of 4 Goomastahs for 8 months, against 3 for 6 months in Fusly 1264, but why in the former year a larger number of Goomastahs for a longer period was found necessary is not apparent. However, the Government are not inclined further to notice the subject, the charge having been already incurred. The allowance of batta to Curnums of certain reverted Estates, alluded to in para. 7 of the Board's letter of 10th December 1856 No. 4168, does not appear to have been disbursed, and the Government trust that it will not be found necessary in future years.

		Rs.
Masulipatam		330
Canara	*Land Revenue*	1,145
	Sea Customs	346
Ganjam Salt Establishment ...		773

3. The increase in the Canara District under the head "Land Revenue Establishment" is attributed to the circumstance of the previous sanction of Government not having been obtained for the survey of the landed Estates belonging to a Hindu Mutt, and for the examination of lands applied for by Ryots and others, because such charges were incurred in former years without such sanction; it however appears that the Establishment entertained for these purposes has proved useful, the result having been the discovery of a wurg in the Maladerla Magany which was fraudulently cultivated, and upon which a Beriz of Rupees 219 was fixed. In future however such Establishment should not be entertained without previous sanction.

4. The increase in the Sea Custom Department of Canara appears to have been occasioned by the employment of Extra servants for the preparation of the Trade Returns furnished to the Reporter of External Commerce. The employment of extra servants for this duty was prohibited for Fusly 1266, in Extract Minutes Consultation dated 11th February 1857, No. 160 para 6.

5. With these observations, the Right Honorable the Governor in Council sanctions the actual charges incurred in the several Districts of this Presidency on account of temporary Establishments employed in Fusly 1265, amounting to Rupees (1,03,322-8-0) One lac, three thousand, three hundred and twenty two, and Annas eight.

6. The Board have very properly noticed that the Collector of Canara should have obtained the sanction of Government before entertaining the Extra servants for clearing off the arrears on the revenue file of the late Tahsildar of Honore, and for the protection of the people during the Hindu festivals held at Soopah and Ankola talooks.

To,
H. Forbes Esq.
Acting Secretary to Government
Revenue Department

Sir,

With reference to para: 3 Extract Minutes Consultation, dated 8th June 1858 No. 1296 R.O., I am directed by the Board of Revenue to submit for the orders of the Right Honorable the Governor in Council the accompanying Statement of Actual Charges incurred on account of additional Establishments in the several Districts of this Presidency for Fusly 1265. From this it will be seen that the Actual Charges of Fusly 1265 are in excess of those of Fusly 1264 by Rupees 3270 and below the Estimated disbursements by Rs. 5810.

As

9/1281.

The Board observe that the Extra Servants for clearing off the arrears on the Revenue file of the late Tahsildar of Wonore, and for the protection of the people during two Hindoo Festivals held in the Soopah and Ambola Talook in the Canara District, should not have been entertained without the sanction of Government. With regard to the latter Charge the Collector explains that the Peons were employed previous to the receipt of the orders of Government directing that such Charges shall not be incurred without the previous Submission of an Estimate.

30th June 1836 No. 159 22

Under the explanations given in the Column of Remarks for the increase in the various Items entered in the Statement the Board of Revenue recommend that Sanction be granted for the total actual Charge incurred on account of additional Establishments for Fasly 1265. Amounting to Rupees 10,322-5-.

Para 3. With regard to the items disallowed by the Government contained in Extract Minutes of Consultation, dated 11th February 1857 No 110 R.O. that they would be taken into consideration when the explanations called for on the subject when the Actual Charges were submitted for sanction.

3. The increase has been chiefly occasioned by Charges estimated and sanctioned for Fasly 1265 as Madras being here incurred in Fasly 1264 the Peons having been employed at the Bradras and Canara Cutcherries for a longer period than was limited and by the omission from the Rajahmundry Estimate of certain Servants with the view of obtaining authority for transferring them to the permanent Establishment. With regard to this last Cause of increase the Collector observes that partly through oversight and partly from a doubt whether the whole Establishment would be required in reference were made on the subject in Fasly 1265 subsequently however on the alteration the Board Recommended to Govt that the Establishment should be permanently

Were enter 10 December 1857 No 4490

The Board of Revenue submit a Statement of the actual charges incurred in Fasly 1265 on account of temporary Establishments entertained in

in the several Districts
of this Presidency.

2. In Para 4 of
Extract Mins Consulta-
tion dated 11 February
1857, the Government
remarked that the
explanation afforded
in regard to the in-
crease in the Estimates
for the Districts
noted in the margin,
for Fasly 1265, would
be taken into consid-
eration when the state-
ments of actual charges
were submitted for
sanction, and this they
will now do.
The increase of
Rupees

Rupees 330 in the
Masulipatam Estim-
-mate is reduced to
Rupees 140 in the
statement of actual
charges, owed is attri-
-buted to the employ-
-ment in Fasly 1265
of 4 Goomastahs
for 8 months, against
3 for 6 months in
Fasly 1264, but why
in the former years a
larger number of
Goomastahs for a
longer period was
found necessary is
not apparent. However
the Government
are not inclined
further

further to notice the
subject, the charges
having been already
incurred. The allow-
ance of batta to
Canines of certain
reverted Estates, alluded
to in para 7 of the
Board's letter of 10th
December 1856 No. 4168,
does not appear to
have been disbursed
and the Government
trust that it will
not be found necessary
in future years.

The increase
3. in the Canara District
under the Head "Land
Revenue Establishment"
is

is attributed to the
circumstance of the
previous sanction of
Government not
having been obtained
for the survey of the
lended Estates be-
longing to a Hindoo
Mutt, and for the
examination of lands
applied for by Ryots
and others, because
such charges were
incurred in former
years without
such sanction; it
however appears
that the Establish-
ment entertained
for these purposes
has

has proved useful, the result having been the discovery of a Mine in the Malabaria Mogany which was fraudulently cultivated, and upon which a Berij of Rupees 219 was fixed. In future however such Establishment should not be entertained without previous sanction.

4. The increase in the Sea Customs Department of Canara appears to have been occasioned by the employment

19/1861

employment of extra Servants for the preparation of the Trade Returns furnished to the Reporter of External Commerce. The employment of Extra Servants for this duty was prohibited for Fasly 1266, in Extract Mine Cons. dated 11th February 1857 No 160 para 6.

5. With these observations the Right Honorable the Governor in Council sanctions the

the actual Charges
incurred in the
several Districts
of this Presidency
on account of
temporary Establish-
ments employed
previously 1265,
amounting to Rupees
1,03,322:8-/ One lac
three thousand three
hundred and twenty
two, and annas
Eight.-

The Board
have very properly
noticed that the
Collector of Canara
should have obtained
the sanction of
Government

20/1881

Government before
entertaining the
extra Servants for
clearing off the
arrears in the
revenue file of
the late Talukdar
of Honore, and for
the protection of
the people during
the Hindu festivals
held at Soopah
and Ankola Talooks.
