Fort Saint George, Revenue Consultation of 4th May 1858.

No. 60. Read the following Extract from the Proceedings of the Board of Revenue, dated 17th April 1858, No. 1340.

In Cons. 17*th April* 1858, Read letter from the Collector of Coimbatore, dated 23d March 1858.

(Here enter No. 45.)

Resolved that the foregoing letter be submitted for the orders of Government.

2. Under the explanation given by the Collector, in the foregoing letter, of the inability of the late Abkary renters of the Caroor and Pulladum talooks, to satisfy even the outstanding arrears of their rent, and on the ground that the loss resulting from the resale of the Farms (and which amounts to Rupees 6,634-10-4 for the Caroor farm, and Rupees 7,687 for that of Pulladum) is attributable to the unfavorable character of the season, the Board recommend that Mr. Thomas be authorized to strike off these sums as irrecoverable. The Board will await a further report before passing any orders upon the actual arrears still due by the late renters.

No. 61. ORDER THEREON, No. 567; dated 3rd May 1858.

Agreeably to the recommendation of the Board of Revenue, the Right Honorable the Governor in Council authorizes the Collector of Coimbatore to strike off, as irrecoverable, from the accounts of his Collectorate the loss resulting from the resale of the Abkarry Farms of the talooks of Caroor and Pulladum, amounting respectively to Rupees (1,401-5-1) one thousand, four hundred and one, annas five and pie one, and Rupees (6,634-10-4) six thousand, six hundred and thirty-four, annas ten and pice four.

Secretary to the Board of Revenue

Sir,

I have the honor to acknowledge the receipt of Extracts from the Board's Proceedings dated 27th and 29th January last N°. 305 and 502, and in reply beg to forward a Statement shewing the amount of balance due by the Attiany Renters of Carur and Pulladum in this Collectorate since of loss sustained by the resale of the Farms.

Carur. 2. Of the balance due by the Renter, Viz^t. Rupees 1,533-2-.. as shewn in Col. 4, only Rupees 15-5-2 will be recovered easily. Rupees 116-7-2 are recoverable from the Sale proceeds of the Godown of

of the Renter and Sub Renters now under attachment. the remaining balance Viz. 1,401-5-8 is due by the Renter and his Sub Renters who are reduced in circumstances. all necessary measures have been adopted for the recovery of the balance, but with no effect, from the adversity of the season.

3. As regards the loss of Rupees 6,834-10-4 by the resale of the Farm, the Renter is liable for the same according to the documents entered into by him, but as he (Renter) has no Estate except that already attached, amounting only to 65-1-1, I fear there is no hope of its recovery, even though he be sent to Jail.

4. The amount of balance due by this Renter, is Rupees 1492-5-2 of which only Rupees 184-5-0 will be recovered now. Rupees 405-0-2 will be so, by the sale of the Property already attached. As regards the remaining balance 923-0-0 effort is still

Vulladum

still going on for its recovery. and the result will be made known in due course.

5. The amount of loss by the resale of the Rent, is Rupees 7,087-0-0 the Renter has no Estate in this District being a Native of Salem. I have therefore written to the Collector of that District, and his property valued at Rupees 73-2-10 has been attached. the Renter appears to have no other means. endeavours were made in vain for the recovery of the balance due by him. He is waiting at the Cutcherry for several Months. I have little hope of its recovery, even if the Renter be dealt with according to the Regulations.

6. Under the foregoing reasons, I am of opinion that the loss by the resale of the Farms of both Taloks, must be struck off as entirely irrecoverable.

7. As regards the actual balance due by the defaulters, I request the Board's sanction for selling the property of both the Renters and Sub Renters now under attachment. I shall still try to recover the remaining sum due by the Sub Renters &c. and report the result.

I have &c.
