Fort Saint George, Revenue Consultation of 11th May 1858.

No. 63. Read the following Extract from the Proceedings of the Board of Revenue, dated 26th April 1858, No. 1459.

In Consultation 26th April 1858. Read letter from the Acting Collector of South Arcot, dated 25th February 1858.
 (Here enter No. 35.)

In Consultation 16th Feb. 1858. Resolved that the above letter be laid before Government with reference to Extract Minutes Consultation, dated 4th February 1858, No. 151, R. D.

Chellumbrum Talook, Case 3, Nungaloor. From the wording of the grant, it would appear to have been made, not for the personal benefit of the claimant's father, but expressly for the celebration of an annual religious festival. It cannot therefore be treated otherwise than as a Pagoda claim. Taking this view of the grant, the Board, in their Proceedings of 19th December 1857, recommended the payment of compensation equivalent to 5 years' revenue of the Enam, viz. Rupees 26-6-11 on the principle laid down in the Honorable Court's Despatch of the 1st February 1843, No. 2, and they now request sanction for the adjustment of this claim accordingly. The grantee's death occurred in 1855 and not in 1845, as supposed by Government.

Case 51 of the same Talook.

The votaries of the Mutt form two independent factions, one faction opposing the nomination of a representative by the other. The person appointed as successor to the former incumbent; who died some years ago, is said to be resident at Combaconum. The individual, who preferred the claim, had no authority for doing so, but care will be taken by the Acting Collector to disburse the amount already sanctioned to the parties entitled to receive it.

Case 5, Manargoody Talook.

The date of the grantee's decease given as 12th December 1842, was pointed out in para. 9 of the Extract Minutes Consultation as a clerical error. The Acting Collector now explains that the grantee's death occurred in 1848. This date too is evidently a mistake. In the Collector's statement, the period for which the allowance is due is entered as 7 years and 5 months, calculated from the date of resumption in 1842 until the grantee's death. If this period be correct, the grantee must have died in 1849. The Acting Collector will, on careful inquiry, ascertain the exact date of the grantee's decease, and disburse the arrear for the period, for which it is actually due.
