Fort Saint George, Revenue Consultation of 25th May 1858.

No. 26. Read the following remarks of the Board of Revenue on a Tabular Report on lapsed Enams, No. 1589.

In Cons. 3d May 1858, *No.* 2439 *of* 1857.

From the Collector of Trichinopoly, dated 29th March 1858.

Dated 26th Aug. 1857, *in Cons. 28th Jan.* 1858.

The subject of these grants first came before the Board in a Petition from the brother of the late incumbent, who sought their restoration. On referring the case to the Collector, it appeared from his report, that the Head Assistant Collector had inquired into the Petitioner's claim, and decided that he had no right, or title to these grants, and as there were no direct heirs to the two widows, who were then in possession, their shares should lapse to Government on the death of each. One of these widows, Gowry Amal, the subject of this report, having died last year, her share was accordingly resumed.

Pro. to Collector 28th January 1858.
C. O. B. p. 457 *Vol.* 1.

2. The Board however called for a report of the case in the usual tabular form, pointing out the incompetency of the Collector to resume the maniums without first reporting upon them with reference to the orders of Government in Extract Minutes Consultation 11th May 1848, p. 4. From the Statement now submitted, in compliance with their requisition, it appears that there are no claimants to these enams, and that the brother of the late incumbent holds ancestral maniums in several villages in addition to his official emoluments. Under these circumstances, the Board recommend that the resumption of the shares held by the deceased may be confirmed.
