Fort Saint George, Revenue Consultation of 25th May 1858.

No. 35. Read the following Extract from the Proceedings of the Board of Revenue, dated 30th April 1858, No. 1538.

In Consultation 30th April 1858. Read letter from the Collector of Coimbatore, dated 31st March 1858.

(Here enter No. 53.)

In this letter the Collector states that eight bottles of Warburg's Fever Drops were purchased in 1847 for 50 Rupees, at the rate of Rupees 6-4-0 each for distribution to the community as there was no Dispensary at that time in the town of Coimbatore; that only one bottle was then sold, and that the remainder has been distributed to persons who were suffering with Fever, and unable to pay for the Medicine.

2. Under these circumstances, the Board recommend that sanction be granted for writing off to "profit and loss" the value of the seven bottles distributed gratuitously, amounting to Rupees 43-12-0 which sum still remains unadjusted in the Collector's accounts.

Ordered that a copy of the foregoing Proceedings be submitted for the orders of Government.

(A true Extract.)

(Signed) G. S. FORBES, Secretary.

No. 36. ORDER THEREON, No. 666; dated 21st May 1858.

The Board of Revenue request sanction to write off to profit and loss the value of 7 bottles of Warburg's fever drops.

2. The Government observe that the medicine was distributed among the poor at a time when there was no Dispensary in the Town of Coimbatore, and the proper course is to debit the value thereof as a regular charge to the head "general charges extraordinary" in the Collector's accounts. This the Acting Collector will now do, and the Civil Auditor is authorized to admit the disbursement, amounting to Rupees (43-12-0) forty three and annas twelve.

Acting Secretary to Government.
