*Fort Saint George, Revenue Consultation of 1st June 1858.*

No. 23. Read the following Remarks of the Board of Revenue, on a Tabular report on lapsed Enams dated 28th April 1858, No. 1501.

From the Acting Collector of Tanjore, dated 17th February 1858.

No. 94. This grant was conferred by Sunnud on hereditary In Cons. 28th April 1858. tenure in 1778, prior to the date fixed for the Tanjore district by Section II, Regulation XXXI of 1802; and as its purchase by the father and uncle of the deceased occurred prior to the date of that enactment, and is moreover stated to be a bonâ fide transaction, the Board concur with the Acting Collector in recommending that the share held by the deceased, viz. Val. 0-19-77 be continued to his elder son Sawmy Iyengar, subject to report on his death.

No. 95. Is said to have been a subsistence grant held without Sunnud long before the cession of the country to the British. In consideration of the long period during which it was enjoyed, the Board agree with the Acting Collector, that the share held by the deceased, viz. Val. 5-2-96½ should be continued to his son Narrainen; but adverting to the obscurity in which the origin of this grant is involved, and the uncertainty of its transmission to the last holder from the original grantee, they would restrict it to his life.

No. 96. In this case also, it is not known whether the last holder was a descendant of the original grantee, or how his father, in whose name the Enam was registered in 1810, obtained possession of it. Considering, however, the length of time it has been held by the family, the Board support the Acting Collector's recommendation for its continuance to the son, who appears to be the only surviving member of the family.

By Order.

(Signed) G. S. FORBES, Secretary.

No. 24. ORDER THEREON, No. 698; dated 28th May 1858.

1. The Government are unable to pass V. M. G. orders in this case until they are in possession of the documents which form the evidence of the several transactions, by which the claimant's family acquired possession of the portions of land forming the lapsed share. The Board of Revenue will be good enough therefore, to request the Collector to procure and submit the deeds of sale, gift, &c., in question.

2. This will be treated as proposed, viz. registered in the name of Narayanan, the son of the deceased.

3. The continuance of the lapsed share in No. 96 to the only surviving member of the family Saminathan, is sanctioned.

(Signed) W. H. BAYLEY,

Acting Secretary to Government.

No. 1501.

Remarks of the Board of Revenue, on a Tabular report on lapsed Enam  
From the Acting Collector of Tanjore, dated 17th February 1858.  
In Con. 28th April 1858.

No. 94. This grant was conferred by Sannud on hereditary tenure in 1778, prior to the date fixed for the Tanjore district by Section II. Regulation XXXI of 1802; and as its purchase by the father and uncle of the deceased occurred prior to the date of that enactment, and is moreover stated to be a bona fide transaction, the Board concur with the Acting Collector in recommending that the share held by the deceased, viz. Val. 0-10-74 be continued to his elder son Sawmy Iyengar, subject to report on his death.

No. 95 is said to have been a subsistence grant held without Sannud long before the cession of the country to the British. In consideration of the long period during which it was enjoyed, the Board agree with the Acting Collector, that the share held by the deceased, viz. Val. 5-2-08½ should be continued to his son Narrainen; but advertent to the obscurity in which the origin of this grant is involved, and the uncertainty of its transmission to the last holder from the original grantee, they would restrict it to his life.

No. 96. In this case also, it is not known whether the last holder was a descendant of the original grantee, or how his father, in whose name the Enam was registered in 1810, obtained possession of it. Considering, however, the length of time it has been held by the family, the Board support the Acting Collector's recommendation for its continuance to the son, who appears to be the only surviving member of the family.
