

Revenue Department
Minutes of Consultation

1st June 1858

Back No. 58459.

Order No. 715 D 31st May 1858

Fort Saint George, Revenue Consultation of 1st June 1858.

No. 58. Read the following Extract from the Proceedings of the Board of Revenue, dated 11th May 1858, No. 1673.

In Consultation 11th May 1858. Read letter from the Acting Collector of Tinnevely, dated 19th February 1858.
(Here enter No. 83.)

Read also letters from the Collector, dated 29th March 1856, recorded in Consultation 3d February 1857, and 27th May in Consultation 26th September 1857.

Resolved that the above letters with their enclosures be submitted for the orders of Government.

2. Referring to Extract Minutes Consultation 15th October 1852, No. 1013, in which Government called for a Return of the various religious and charitable grants paid by deductions from the Kistbundy beriz, with the view of authorizing their disbursement direct from the Public Treasury, the Collector with his letter of 18th March 1854, submitted six Statements of the allowances paid in his district. Those entered in Statement No. 1, being of a date previous to the assumption of the district by the British Government, were ordered to be commuted to grants in land of equivalent value. The allowances in Statements Nos. 2 to 6 were regarded as merely subsistence grants to be continued to the parties then in enjoyment, and to be resumed at their death. In the letters at the head of these Proceedings, the Acting Collector reports that several of the Enamdars entered in the Statements Nos. 2 and 3, as he has since discovered, died between the years 1847 and 1853, and that their names have, through an oversight on the part of the Talook officials, been included in these Statements: at the same time he requests permission to substitute the names of those whom, from the inquiry instituted by himself and the Sub Collector, he has ascertained to be their nearest heirs, and most of whom have drawn their allowances up to Fusly 1263 A. D. 1853-54, prior to the receipt of the sanction of Government.

3. These Enams were regarded as hereditary till Fusly 1262, and consequently no Register of their lapse was kept by the Talook authorities. Measures, however, have since been adopted by the Acting Collector to prevent the recurrence of errors similar to those now brought to notice.

4. As the sanction conveyed in Extract Minutes Consultation 19th August 1854, No. 972, R. D. restricted the payments to the *lives* of the *then* recipients, the Board request that authority may be granted for substituting their names as given in column 8 of the Acting Collector's lists for those of the deceased Enamdars, as well as for the disbursement of their allowances in arrears from Fusly 1264, A. D. 1854-55.
(A true Extract.)

(Signed) G. S. FORBES, Secretary.

No. 59. ORDER THEREON, No. 715; dated 31st May 1858.

Resolved, in accordance with the request conveyed in para. 4 of the proceedings above recorded, that sanction be granted for the substitution of the names of the heirs of such Enamdars as, though included in Nos. 2 and 3 of the previous statements submitted by the Collector with his letter of March 18, 1854, have been now discovered to have died before that date; the disbursement of the allowances in arrears from Fusly 1264, (A. D. 1854-55) will also be sanctioned.

2. As however it appears that confusion may arise in the Civil Auditor's office (and further references to Government be necessitated,) if the statements are transmitted to him piecemeal, the Board will be good enough to request the Acting Collector to furnish a complete list of the Enamdars as they now stand, showing the amount of the allowance enjoyed by each. It is observed from the last para. of Mr. Silver's letter dated 19th February 1858 that such a record exists in the Collector's office, so that no difficulty is apprehended in complying with the present requisition.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
