Fort Saint George, Revenue Consultation of 19th January 1858.

No. 30. Read the following Extract from the Proceedings of the Board of Revenue; dated 14th December 1857, No. 4492.

Read again letter from the Collector of Trichinopoly; dated 22d July 1857,* relative to the arrears due by the Shrotriemdar of Poodoopolliem.

**In Cons. 2d October* 1857.

Read also letter from the same officer, dated 10th November 1857,† reporting the attachment of the above Estate.

†*In Cons. 14th Dec.* 1857.

(Here enter No. 145.)

1. Resolved that the foregoing letter with the enclosure of the second be submitted for the consideration and orders of the Right Honorable the Governor in Council.

2. The Collector reports that Syad-Hassadoola Shrotriemdar of Poodoopolliem in the Arrearloor talook has allowed the whole Peshcush Rupees 525 of the village for Fusly 1266 (except the small sum of Rupees 59-3-6 which has been collected from the ryots) and also a portion Rs. 147-12 of that of Fusly 1265, to fall in arrears.

3. The failure of the Shrotriemdar to pay the rent of his Estate, the Collector states is owing to the ryots withholding the payment of their dues, because of his refusal to make a reduction of assessment equivalent to that given in the other Government villages of the talook. It is also stated that on several occasions assistance has been afforded to the Shrotriemdar to collect his revenue, but without avail, and that the ryots are poor and their lands not saleable.

4. The Ayacut area of the Shrotriem is 558 Cawnies of Poonjah land assessed at Rs. 2,405. The cultivation averages 160 Cawnies assessed at Rupees 685 and the Peshcush is Rupees 525.

5. The average assessment on the whole Ayacut is a little above 4 Rupees per cent., and that on the cultivated portion about 4¼ Rupees. The Peshcush distributed over the whole area is less than one Rupee per cent.

6. From this it will be seen that there is plenty of waste land available for cultivation, and that the Proprietor can consequently afford to reduce the existing rates of assessment if so disposed.

7. Under these circumstances and as the Shrotriemdar evinced no inclination to make good the amount outstanding, the Board of Revenue recommend that sanction be granted for resumption of the Estate and for its incorporation with the Government lands.

C. O. 8th Oct. 1839, *pages 276 to 277.*

8. The Shrotriem was attached on the 7th August 1857, under the orders of the Board dated 2d October 1857, so that ample time has been allowed to the Proprietor to discharge the arrears.

9. If Government sanction the resumption, the Collector will be instructed to lose no time in proposing a reduction of assessment whenever necessary.

No. 31. ORDER THEREON, No. 71; dated 19th January 1858.

Under the circumstances represented in the above Proceedings, the Government are disposed to adopt the recommendation of the Board of Revenue, but before issuing orders to that effect, they desire to be informed of the particular nature of the shotriem, whether it is held on any sunnud or other document, and how the present proprietor came into possession. It is observed that the Board, in one part of their proceedings, style the shotriem an estate and the demand on it the Peishcush, terms not usually applied to shotriem villages.
