Fort Saint George, Revenue Consultation of 8th June 1858.

No. 37. Read the following Extract from the Proceedings of the Board of Revenue, dated 15th May 1858, No. 1734.

In Cons. 15th May 1858.

Read letter from the Collector of Bellary, dated 10th April 1858.

(Here enter No. 55.)

In Cons. 6th March 1858.

Resolved that the above letter be laid before Government with reference to Extract Minutes Consultation, No. 264, R. D., dated 27th February 1858, para. 4.

In Cons 29th January 1858.

2. In reply to the call for further information, respecting the means of subsistence possessed by the two widowed daughters of the late holder in case No. 7 of the Tabular report of 26th November 1857, the Collector explains that they are both living together and have no other resource except the portion of Enam assessed at Rupees 29-5-2 left in their possession since the death of their mother in 1851. Considering their state of destitution and the length of time they have enjoyed the Enam, the Board recommend its being continued to them for their lives as proposed by the Collector.

C. O. B. 1st vol. page 450.

3. With regard to the question asked by Mr. Pelly as to whether he is empowered, without report, to continue lapsed Enams to females when they are nearest of kin to the late holders, the Board are of opinion that he undoubtedly has such power; but it can only be exercised under the conditions required by the Enam Rules of 27th July 1848.

No. 38. ORDER THEREON, No. 758; dated 4th June 1858.

1. The proposal contained in para. 2 of these Proceedings has the approval of Government.

2. With reference to para. 3, the Government remark that only in the case of enams held on the strength of existing sanads can the Collector authorize (subject of course to the conditions specified by the Board) the continuation of the grants to females or to any one else, without report. No enams held merely by virtue of long possession can be so continued; no service enams can be so continued, and no ready money payment in any case. It is desirable that the Board should modify their instructions accordingly.
