Remarks of the Board of Revenue on a
-butar Report from the Collector of Tanjore on
the lapsed Enams of his District dated 24th
September 1855.

m.37 From the remarks in Column 5 it ap-
-pears the alienation of this Enam must have
taken place prior to 1816 or 39 years ago, which greatly
exceeds the period of prescription subsequent to
alienation which is declared by Circular Order
15th August 1853 to be essential in order to confer
upon the heir of a deceased holder a claim to the
continuance of a lapsed Enam; the Board there-
fore recommend the removal of the lapsed share
in the name of Ramaswamy Govind, son of the
last holder, as proposed by the Collector.

m.38. On the grounds of long prescription
the Board support the recommendation of the
Collector for the continuance of Enams C and D
to the three sons of Vespriath the last holder,
together with the Enams A and B granted prior
to the date fixed by Section II, Regulation
XXXI of 1802, and supported by documents.

m.39. The Board support the recommendation
of the Collector for the removal of this Enam in
the name of the widow of the last holder on the
ground of its having been in the enjoyment
of his family for upwards of two centuries.

m.40. As Enam A is exempt from prescription
and as the alienation of the other portion appears
from the remarks in Column 5 to have taken
place in whole or in part about 40 years prior

C.O. 13. Vol 2
p 163.

to the decease of the last holder, the Board concur in the Collector's recommendation that the whole Enam may be continued to the sons of the deceased the redemption of the mortgaged portion being subject to the general Regulations.

N^o 41. In consideration of long possession subsequent to alienation, the Board recommend that both these Enams may be continued to the 4 sons of the last holder as proposed by the Collector.

N^{os} 42, 43 & 44. Recommended on the same ground as in the foregoing case for continuance to the heirs of their respective last holders as proposed by the Collector.

N^o 45. The reasons assigned by the Collector, and the circumstances stated in Column 5, appear sufficient to support his recommendation of the Collector for the renewal of this Enam; the Board therefore suggest that the share held by A may be continued to his son, Lawmy Rajah and to the two sons of his brother Nyder.

N^o 46. The Grandfather of the deceased having been in possession of the Enam at the time of registry. The Board concur in the Collector's recommendation that it should be entered in the name of Troomookham Pillay paternal Uncle of deceased and son of the 1st registered holder.

N^o 47. As the claimant of this Enam is not

4
772 not a descendant of the original grantee and the right by adoption which he has asserted in Petition N^o 3127 is clearly unfounded, the Board support the recommendation of the Collector that it may be resumed. The annual allowance of 30 Cullums of grain commuted at 8 Annas a Cullum being continued to the Pagoda.

N^o 48. As Enam A has been a long time in the enjoyment of deceased family and as the other Enam was purchased for a valuable consideration the Board recommend that both may be continued to Sarainasamy Moodally, son of the last holder and his coheirs.

Remarks of the Board of Revenue on a Talukdar's Report from the Collector of Tanjore, on the Lapsed Enams of his District, dated 6th February 1856.

N^o 49. The Board concur with the Collector, that on the ground of the valuable consideration given for this Enam and the long time it has been in possession, it may be continued to the present holders. The lapsed share being renewed in the name of Gopial Hyengar, son of the deceased. Hyengar's signature of the intended attention

alteration in the accounts to show distinctly the share enjoyed by each holder and to avoid inconvenience for the future.

N^o 50. As the period of enjoyment under alienation is, in this case, more than double that prescribed as necessary in order to qualify the heir of a deceased holder to succeed to his Enam, it is recommended that the portion enjoyed by deceased at his death may be continued to his two sons Sankhadutchet and Hanjantalhadutchet as suggested by the Collector.

N^o 51. This Enam having been alienated 28 years ago for, probably, a valuable consideration, the Board support the recommendation of the Collector that the Enam may be renewed in favor of Nydeslingum. Grandson of the person in whose favor the alienation was made.

N^o 52. It appearing that the original alienation took place by a bona fide purchase, and that the family of the deceased had been in the enjoyment of this Enam for upwards of 28 years, it is recommended, as suggested by the Collector, that it may be renewed in the name of deceased's Widow.

N^o 53. The deceased having enjoyed a portion of this Enam ~~for~~ ^{by} him as a Gift

5
772 Gift for upwards of 30 years or thereabouts, and having acquired the rest by actual purchase the Board support the recommendation of the Collector that the whole share left by him may be continued to his three sons Sambasivum, Anantharamum, and Narayana.

N^o 54. Karpasammy and Moorgasahay being the two great Grandsons of the party in whose favor the alienation was made upwards of 45 years ago, the Board recommend with the Collector that the half share enjoyed by their father, the last holder, may be continued to them.

N^o 55. In consideration of the value paid by deceased for a portion of this Enam and the long possession held by his family, of the remainder, the Board support the Collector's recommendation that the whole share may be continued to the Widow of the deceased.

N^o 56. In consideration of the early date of this Enam and the long time it has been enjoyed under alienation by the family of deceased, the Board recommend the suggestion of the Collector that it may be continued to the two sons of deceased.

N^o 57. The original Grant is of early date and the portions comprising this share were alienated along while ago, by sale by the family of the original Grantee, and the deceased

deceased had himself obtained them for a valuable consideration and enjoyed them (with the exception of one portion) for more than 20 years, it is therefore recommended that the share enjoyed by him may be continued to his two sons as suggested by the Collector.

N: 58. The two parties recommended by the Collector being the sons of the last holder of this Enam, and the Grant sons of Anantham-mien in whose favor the alienation was made 40 years ago, the Board support the recommendation of the Collector that the Enam may be renewed in their names.

N: 59. The father of the deceased having purchased Enam A from the original Grantee about 43 years ago and the Grant being supported by competent documents, the Board approve of its continuance to his son.

The Board agree with the Collector that Enam D may be continued for the support of the widow and son of deceased on the ground of long enjoyment by his family (about 46 years) and the valuable consideration paid for it by deceased father, they accordingly support the recommendation of the Collector.

N: 60. This share appears to have been alienated

alienated by the son of the original Grantee about 43 years ago by sale to Casee Syen the maternal Great Grandfather of the party recommended by the Collector, and to have been in the enjoyment of his father for about the same time, as it formed the marriage portion of his Mother; the Board therefore concur in the recommendation of the Collector that it may be continued in the name of Panchanadien, son of the last holder.
