Fort Saint George, Revenue Consultation of 8th June 1858.

No. 69. Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to the Secretary to Government, Military Department; dated Ootacamund, 19th May 1858, No. $\frac{89}{247}$.

SIR,

The Commander-in-Chief having received from the Southern Division a report of the arrival of the whole of the 2d European Light Infantry from Negapatam by Transit, without the slightest check or interruption, His Excellency would beg of you to request of Government to cause it to be intimated to Mr. Phillips, the Collector of Tanjore, and Mr. Agnew his Assistant, and Mr. Bird the Collector of Trichinopoly, and any other gentlemen of the Civil Service who may, in their capacity, have assisted in the arrangements, how much he feels indebted to them for the ready and efficient manner in which they have responded to the calls of the Military authorities, whereby this, a first attempt, at bringing Troops from Negapatam by Transit, has been so successful, and which too was rendered the more difficult, from the utter impossibility of fixing on any certain period for the arrival of the transports with the Troops on board.

No. 70. ORDER THEREON, No. 774; dated 8th June 1858.

The Government are gratified to learn from the above letter that the services of their Civil Officers, in the successful transit of troops through their Districts, has met with the approbation of His Excellency the Commander-in-Chief. The Board of Revenue will be good enough to communicate the above handsome acknowledgment of the Commander-in-Chief, to the Collectors of Tanjore and Trichinopoly, Mr. Agnew, and any other Civil officer who may have aided in thus successfully carrying the 2d European Light Infantry to its destination.

(Signed) W. H. BAYLEY,
Acting Secretary to Government.
